

PART 12.2 - ARMS DEALS - THE UNITED KINGDOM

Jul 13, 2017

The UK remains under pressure to suspend arms sales to the Saudi Arabia despite winning a High Court case that claimed British-made weapons were used to violate international law in Yemen.

How much are the deals worth?

The UK was the **second-biggest arms dealer** in the world in 2016 after the US, according to government figures.

CAAT found £7.9bn worth of arms sold to countries on the human rights priority list, which is maintained by the Foreign Office and includes countries judged by the FCO to have "the worst, or greatest number of, human rights violations".

On average, Britain has sold **more weapons** than Russia, China or France over the last decade.

In 2015, the government approved global arms licences totalling more than £7.7bn. Most of those weapons were sent to the Middle East, with Saudi Arabia by far the UK's most valuable client, the BBC reported in December 2016.

After Saudi Arabia intervened in the civil war in Yemen in early 2015, the UK approved more than £3.3bn in military sales to the kingdom between April 2015 and September 2016, according to CAAT.

This included £2.2bn worth of licences for aircraft, helicopters and drones, and £1.1bn for grenades, bombs and missiles.

UK sales of arms and military
kit to Saudi Arabia hit £1.1bn
in 2017

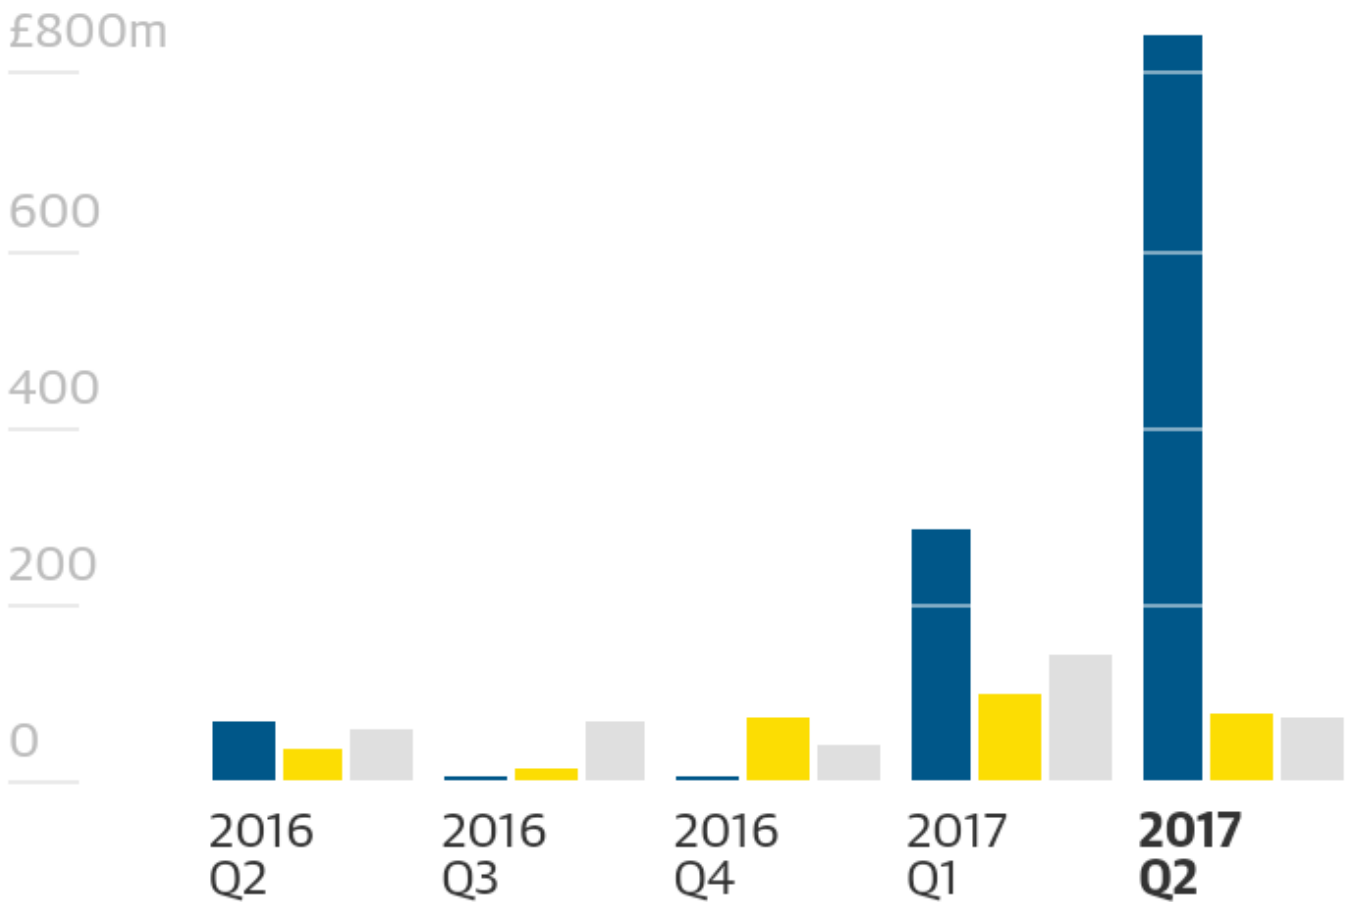

British sales of military equipment to Saudi Arabia topped £1.1bn in the first half of this year, with government data showing a spike in sales since the spring.

The statistics from the Department for International Trade (DIT) show the UK sold £836m of arms and military hardware to Saudi Arabia between April and June, up from £280m between January and March.

Saudi Arabia – which was visited by the UK prime minister, Theresa May, as one of her first trips after triggering the formal Brexit process in March – has purchased arms including air-to-air missiles, aircraft components and sniper rifles. The sales also include anti-riot gear, ballistic shields and body armour.

The UK sold £841m worth of arms and security equipment to Saudi Arabia between April and June 2017

History of UK Arms Deals with Saudi Arabia

KJ Vids 436 views

9

0

In 1965 the UK played a major part in the **first big arms shipment to Saudi Arabia from the West.**

It was to supply British Aircraft Corporation (BAC) **aircraft and other equipment, for \$280m.**

While the UK would send Aircraft, the US Sent surface-to-air missiles worth \$70m.

In 1966 the UK appointed a government arms salesman signalling that it was now UK policy to exploit its armaments capabilities.

In 1970-1973 the UK secured new contracts for air defence equipment.

Including an important commitment of training the Saudi Air Force.

In 1985, Margaret Thatcher and Prince Bandar negotiated the **Al-Yamamah arms deal for BAE** bringing in **£43 billion** since.

In 2005, the UK and Saudi Arabia agreed a military agreement, for BAE to **equip Saudi Arabia with Eurofighter Typhoons.**

In 2006, the Saudis threatened to end co-operation with the UK into BAE and the Al-Yamamah arms deal.

In 2006, Tony Blair wrote a secret letter to Lord Goldsmith, in which he urged him to stop the Serious Fraud Office investigation.

In 2014, BAE Systems agreed to supply Saudi Arabia with 72 Typhoon fighter jets, worth £4.4bn.

In 2015, The UK licensed arms exports worth £3.3bn to Saudi during the first year of the Saudi-led conflict in Yemen.

A photograph of several oil pumpjacks in a desert landscape under a clear sky. The pumpjacks are black with yellow and red accents. One pumpjack in the foreground has the number '5608' on its arm.

HMRC figures by Greenpeace EnergyDesk shows that in 2015 **83% of UK arms-exports almost £900m went to Saudi Arabia.**

A photograph of a large, intense explosion or fire. A massive plume of dark smoke and fire rises into the sky, with bright orange and yellow flames at the base. The background shows a hazy, overcast sky and some distant structures.

In the first quarter of 2016 alone, **the UK licensed £538m of weapons, including military training aircraft for the Royal Saudi Air Force.**

The UK continues to profit from the death and destruction of innocent civilians with its alliance with Saudi Arabia and other Gulf States.

BAE Systems the British Company is certainly one of the most, if not the most, immoral companies on the planet. There was certainly a period from the late 80s through to the 90s when it was undoubtedly involved in more corrupt activity than any other commercial enterprise on the planet. The British government chose to turn a blind eye to that behaviour.

The logo for BAE Systems, consisting of the words "BAE SYSTEMS" in white, bold, uppercase letters, centered within a red rectangular background. This logo is positioned in the lower half of a dark gray rectangular area that is framed by a thick black border.

BAE SYSTEMS

But in addition to which BAE systems single handily contributes to extraordinary immiseration and suffering around the world, to give just one example.

In the last couple of years BAE has sold **SAUDI ARABIA 100S OF MILLION POUNDS WORTH OF BOMBS AND MISSILES**. Those bombs and missiles have been rained down by a Saudi led coalition on innocent civilians in Yemen, anywhere between **4000 - 12000 INNOCENT CIVILIANS HAVE BEEN KILLED, PROBABLY MANY OF THEM BY BRITISH BOMBS AND MISSILES**.

In addition to which, **BRITISH ADVISORS ARE SUPPOSEDLY ADVISING THE SAUDI LED COALITION ON ITS TARGETING, WHICH A UN REPORT IDENTIFIES AS HAVING TARGETED IN AT LEAST 1/3RD OF ITS ATTACKS, CIVILIAN TARGETS**.

It is corrupted countries around the world, including my own country South Africa, where just 4 years into our democracy **BAE PAID £115 MILLION POUNDS OF BRIBES** according to the Met police in order to win a contract for which its product should never have been awarded the contract.

IT WAS ONLY BECAUSE THE DEFENCE MINISTER WAS BRIBED TO ENSURE THAT BAE WON THE CONTRACT.

What that did was it undermined South Africa's young democracy, it ensured that scarce resources were spent on weapons that the country didn't need and barely used, rather than, for instance, providing lifesaving medication for millions of South Africans living with HIV or AIDS at the time.

In fact, Harvard University has estimated that as a consequence of that policy decision at least 365,000 South Africans died of avoidable deaths within 5 years of that decision.

This is the sort of effect that BAE systems has on the world. But, it also has a corroding impact on Britain's own democracy and on the rule of law in this country. I say that because so much of what BAE systems does is kept out of public eye, by the veil of national security imposed secrecy that overhangs all of the arms deals that they do and all of their activities, be they legal or illegal.

IT MEANS THAT WHEN A BRAVE PROSECUTOR IS PREPARED TO TRY AND BRING THEM TO TRIAL, THE GOVERNMENT WILL STEP IN AND ENSURE THAT DOESN'T HAPPEN.

The nature of the RELATIONSHIPS between THE COMPANY AND SENIOR POLITICIANS. Between THE COMPANY and MILITARY LEADERS. Between THE COMPANY and INTELLIGENCE AGENTS.

IS SUCH THAT I BELIEVE TOGETHER THEY OPERATE IN A WAY THAT BENEFITS THE COMPANY, THAT BENEFITS OTHER INDIVIDUALS BOTH POLITICALLY AND ECONOMICALLY AND THAT IS TO THE DISADVANTAGE TO THE BEST INTERESTS OF THE UNITED KINGDOM.

**OUR POLITICIANS - ARE THEY
ARMS INDUSTRY SALES PEOPLE?**

OUR SENIOR POLITICIANS IN THE UK ARE THE SALES PEOPLE IN CHIEF FOR THE UKS ARMS INDUSTRY. THEY SERVE THAT INDUSTRY COMPLETELY UNCRITICALLY.

SO, THEY DON'T MIND HOW MUCH CORRUPTION IS INVOLVED IN THE ARMS DEALS, REMEMBERING THAT THE ARMS DEALS ACCOUNTS FOR 40% OF ALL CORRUPTION IN GLOBAL TRADE.

SECONDALLY, THEY DON'T MIND WHO THOSE WEAPONS ARE SOLD TO. THEY ARE QUITE HAPPY WITH COMPANIES LIKE BAE AND OTHERS SELLING WEAPONARY TO SAUDI ARABIA FOR INSTANCES WHICH IS USING THAT WEAPONARY TO KILL INNOCENT CIVILIANS IN YEMEN AT THE MOMENT.

**HOW DO POLITICIANS
JUSTIFY THE INDUSTRY?**

HOW DO POLITICIANS JUSTIFY THE INDUSTRY?

THE BRITISH GOVERNMENT JUSTIFYS THE BRITISH ARMS INDUSTRY BY SUGGESTING THAT IT SELLS TO DEMOCRATIC GOVERNMENT WHO SUPPORT BRITIANS VISION OF THE WORLD.

IN ADDITION TO WHICH, THE BRITISH GOVERNMENT CLAIMS THAT ITS CREATING JOBS, THAT IT IS CREATING ECONOMIC GROWTH AND THAT THE INDUSTRY IS IMPORTANT IN MAINTINING BRITIANS PLACE IN THE WORLD.

THE REALITY IS VERY DIFFERENT TO THAT.

BRITIAN SELLS WEAPONS TO ANYONE WHO WILL BUY THEM.

BRITAIN SELLS WEAPONS TO NUMEROUS AUTHORITARIAN, DICTORIAL REGIMES WHO USE THOSE WEAPONS TO OPRESS THEIR OWN PEOPLE, WHO USE THOSE WEAPONS TO VIOLATE INTERNATIONAL HUMANIT ARIAN LAW AND EVEN COMMIT WAR CRIMES.

IN ADDITION TO WHICH, THE SALE OF WEAPONS FROM BRITISH COMPANIES INVARIABLY INVOLVES HUGE LEVELS OF CORRPUTION.

SO, NOT ONLY IS BRITAIN VIOLATING A RANGE OF INTERNATIONAL LAWS OF MULTI-LATERAL AGGREMENTS BUT IT IS ALSO VIOLATING BRITISH NATIONAL LAW AND IT IS PROPOGATING CORRUPTION AROUND THE WORLD AND IN BRITIAN ITS SELF.

IT IS WORTH SAYING THAT WHAT THESE ARMS EXPORTS DO, IS RATHER THAN PROTECT BRITIAN'S POSITION IN THE WORLD OR SECURE BRITIAN'S NATIONAL SECURITY AND DEFENCE IT ACTUALLY UNDERMINES BOTH.

WE HAVE SEEN LINKS BETWEEN COUNTRIES THAT BRITIAN HAS SOLD WEAPONS TO OVER DECADES AND ATROCITIES COMMITTED ON BRITISH SOIL.

WE HAVE SEEN BRITAIN ENGAGE IN WARS, PRIMARILY TO SELL WEAPONS THAT HAVE CREATED NOT ONLY EXTRAORDINARY MISERY IN THOSE COUNTRIES BUT HAVE HAD HUGE CONSEQUENCES FOR THE UNITED KINGDOM, POLITICAL CONSEQUENCES AND EVEN CONSEQUENCES OF VIOLENCE COMMITTED ON BRITISH SOIL.

IT REALLY IS MY CONTENTION THAT DESPITE WHAT THE GOVERNMENT SAYS, WHAT THE BRITISH ARMS INDUSTRY ACTUALLY DOES IS:

- IT UNDERMINES BRITAIN'S POSITION IN THE WORLD.
- IT UNDERMINES BRITAIN'S SUPPOSED SUPPORT FOR DEMOCRATIC VALUE. WHICH ITS ARMS EXPORTS ITS SELF ARE UNDERMINING.
- IT ACTUALLY AND MOST IRONICALLY MAKES BRITAIN ITS-SELF LESS RATHER THAN MORE SAFE.

UK WEAPONS SOLD TO MIDDLE EAST

Algeria

£278m

(met at both events)

Islamic, oil-rich country- heavily militarised and ruled strictly by a group called "the deciders" who select the President. Poor human rights record

Egypt

£127m

(met at S&P)

Increasingly unstable. Run by military but infiltrated by ever-increasing extremist elements after deposing of the Muslim Brotherhood

Kuwait

£59m

(met once at Farnborough and twice at S&P)

A constitutional emirate with a parliamentary system. Threat from proximity to Iraq, with Saddam loyalists in ISIS having a residual hatred towards Kuwait after Gulf War

The figures show the total value of weapons and parts licensed for sale from the UK to each country from 2010-15. British civil servants had meetings with representatives from the countries at two UK arms fairs this year - the Security and Policing Fair (S&P) and Farnborough International. Details are given in brackets.

Libya

£15m

(met at Farnborough)

Oil rich country close to collapse with extremist element including ISIS which threatens to overrun the General National Congress which has run it since 2012

Saudi Arabia

£3.9bn

(met at both arms events)

Oil-rich country, hugely militarised and run by an Islamic monarchy. Some wealthy Saudis support ISIS or al-Qaeda

Nigeria

£80m

(met at both events)

Growing presence of Boko Haram - the pro-al-Qaeda anti female education terror network which has taken over huge swathes of the country. Recently Boko announced its support for ISIS

KEY

- Aircraft or aircraft parts
- Guns or parts & accessories
- Bombs or bomb parts
- Ammunition
- Military vehicles
- Grenades and mortars

T DANGER AREAS

Bahrain

£35m

(met twice at Farnborough)
Rich Gulf country with a good oil export business but post-Arab Spring objections to the new Bahrain led to human rights claims about abuses of Shia majority

United Arab Emirates

£309m

(met five times at S&P)
A federation of seven hereditary kingdoms, ruled by Sharia law, some al-Qaeda presence.
Gun silencers, machine guns and bombs

Qatar

£48m

(met at both events)
The world's richest per capita country with oil wealth but does face extremist threat.
The Taliban had offices there and al-Qaeda has support

Oman

£920m

(met at both events)
Oldest independent state in the Arab world and least infected by al-Qaeda.
Threat from proximity to Iran and Yemen

AL-YAMAMAH

THE BIGGEST ARMS DEAL IN HISTORY

The biggest arms deal in history (pre-2018) was something called the Al Yamamah deal between **THE UNITED KINGDOM AND SAUDI ARABIA**. IT WAS A DEAL WORTH AROUND £43 BILLION POUNDS IN WHICH OVER £6BILLION POUNDS OF BRIBES WERE PAID TO MEMBERS OF THE SAUDI ROYAL FAMILY.

THIS WAS THE MOST CORRUPT COMMERICAL TRANSACTION IN COMMERICAL HISTORY OF ALL TIME.

IT WAS SANCTIONED BY MARGARET THATCHER WHO SON MARK THATCHER WAS PAID £12 MILLION POUNDS AS A BRIBE ON THE DEAL.

FACT!

THE GREATEST IRONY OF ALL THOUGH IS THAT THE SON OF THE SAUDI DEFENCE MINISTER PRINCE BANDA, WHO WAS THE SAUDI AMBASSADOR TO THE UNITED STATES AT THE TIME, WAS PAID OVER £1BILLION POUNDS INTO HIS ACCOUNT WHICH WERE HELD IN A BANK OPPOSITE THE WHITE HOUSE IN WASHINGTON DC.

SOME OF THAT MONEY FOUND ITS WAY INTO HIS WIFE'S ACCOUNT AND INADVERTENTLY HE CLAIMS INTO THE ACCOUNTS OF 2 OF THE 911 HIJACKERS.

IT WAS ONLY AT THAT POINT AMERICAN AUTHORITIES BECAME INTERESTED IN THE DEAL, OTHER THAN THAT THEY WERE QUITE HAPPY WITH THE BRIBES AS WERE THE BRITISH.

IT SHOULD ALSO BE BORN IN MIND THAT IN ADDITION TO THE £1 BILLION POUNDS PRINCE BANDA WAS ALSO GIFTED BY BAE AN AIRBUS (COSTING £75MILLION) FOR HIS PRIVATE AND PERSONAL USE PAINTED IN THE COLOURS OF HIS FAVORITE AMERICAN FOOTBALL TEAM – THE DALLAS COWBOYS.

THE ARMS FAIR

4TH-11TH SEPTEMBER

STOPTHEARMSFAIR.ORG.UK

DSEI reflects the true corrupt, uncaring, reality of the global arms trade brought together in a corner of London.

It is a stain as a mayor has said on London its self and on The United Kingdom. Every year ha DSEI gets bigger so to have the protests.

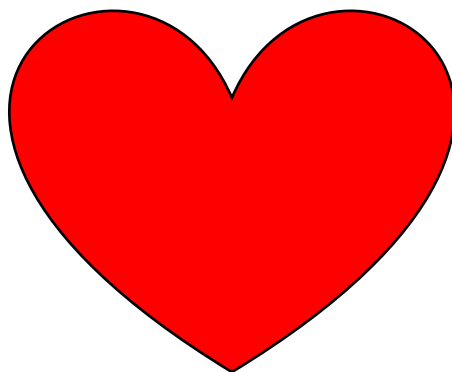

What has certainly struck me over the last 2 or 3 manifestations of this arms fair, is not just the number, but the commitment and the courage of the people protesting this arms fair.

There is absolutely no doubt that these protests have not only raised awareness about what DSEI is, about the nature of the arms trade in which the United Kingdom plays such a large part, but I believe it is also created a greater awareness of British foreign policy and how they might not be in Britain's best interest.

It is for that very reason that we have seen particularly in recent election discussions, we have actually seen a change in the nature of debate, we have started to link the tragic events that happen on British soil to aspects to British foreign policy and particularly to aspects of the British arms trade.

I think that movement in this debate is really to a large part, down to the sorts of difficulties over the years that protesters have been creating at DSEI and the sort of awareness that has been generated by that.

So, I think the protest against a company like DSEI is absolutely crucial and is something that each of those committed individuals that gets involved should be extremely proud of.

WE MUST ALL COME TOGETHER AS ONE.

The image shows a screenshot of a web browser displaying a Human Rights Watch article. The browser's address bar shows 'WWW.THENATION.COM'. The article title is 'Yemen: Saudis Using US Cluster Munitions' with a subtitle 'End Production, Transfer of These Banned Weapons'. The text discusses Saudi Arabia's use of US-made cluster munitions in Yemen and calls for the US to end their production and transfer. A small photograph of a cluster munition is included. The Human Rights Watch logo is visible in the top left, and a '10 MINUTES' logo is in the top right.

Yemen: Saudis Using US Cluster Munitions

End Production, Transfer of These Banned Weapons

(Washington, DC) – Saudi Arabia has used US-made cluster munitions near civilian areas in Yemen, leaving behind unexploded submunitions, Human Rights Watch said today. The United States should cease its production and transfer of cluster munitions to conform with the widely accepted international ban on the weapons.

US export rules that rely on weapon reliability standards have not prevented the sale of cluster munitions to Saudi Arabia, putting civilians at long-term risk, Human Rights Watch said. Cluster munitions are prohibited by a 2008 treaty signed by 119 countries, though not Saudi Arabia, Yemen, or the U.S.

at Human Rights Watch and chair of the Cluster Munition Coalition, the international

Patrick Wilcken

THE BIGGEST ARMS DEALS IN HISTORY HAS JUST BEEN SIGNED
BETWEEN DONALD TRUMP AND GUESS WHO...

SAUDI ARABIA.

GUESS HOW MUCH?

BETWEEN \$350 - \$380 BILLION DOLLARS...

THE PREVIOUS BIGGEST ARMS DEAL IN HISTORY WAS WITH
BRITAIN AND SAUDI ARABIA FOR AROUND \$43 BILLION DOLLARS.

TRUMPS ARMS DEAL IS NEARLY 10X MORE THAN THAT.

\$350 - \$380 BILLION DOLLARS!!!

TO SAUDI ARABIA WHO FUND AND CONDONE TERRORISM!

LET'S SEE EXACTLY WHAT SAUDI ARABIA GET FROM THIS DEAL.

ITS ABSOLUTE FUCKING MADNESS.

THESE PEOPLE ARE WAR MONGERING PSYCHOPATHS!

President Donald Trump has clinched a \$350 billion arms deal with Saudi Arabia over the weekend during his visit in Riyadh; \$110 billion of the figure will take effect immediately.

The U.S. State Department said in a written statement that the arms package “supports the long-term security of Saudi Arabia and the Gulf region in the face of malign Iranian influence and Iranian related threats.”

Saudi Arabia is the primary destination for US arms sales, according to the Council on Foreign Relations, with the Kingdom purchasing nearly 10% of U.S. exports from 2011 to 2015.

The arms package represents an enhancement of Saudi Arabia's military capabilities as tensions flare in the region, with the U.S. viewing the Saudis as a cornerstone in efforts to check the global ambitions of Iran.

Lockheed Martin, Boeing and Raytheon are seen as the biggest beneficiaries as per experts and their stock prices have risen sharply after the deal.

In this video Defense updates provides viewers with the list of 5 most important weapons being sold by US to Saudi Arabia as part of this deal.

THE PAVEWAY 2 LASER GUIDED MISSILE.

“Paveway” guidance systems “convert thousands of dumb bombs into smart bombs.” Paveway kits attach to a variety of warheads, and consist of a semi-active laser (SAL) seeker, a computer control group (CCG) containing guidance and control electronics, thermal battery, and pneumatic control augmentation system (CAS).

There are front canards and rear wings for stability. The seeker detects the reflected light of the designated laser, and activates the canards to guide the bomb towards the designated point.

**THE SYSTEM
WILL ALLOW
THE SAUDI
AIRFORCE TO
CARRY OUT
PRECISION
STRIKES.**

THE M1A2 MAIN BATTLE TANK

The M1A2 will give Saudi Arabia a definitive edge in case of ground battle.

Saudi Arabia will get **133** new Saudi-specification M1A2 main battle tanks.

20 additional tanks will replace those from the Saudis fleet that were lost in combat, possibly against Yemen.

The M1A2 is an improvement on the M1A1.

Significant upgrades include the re-designed commanders weapon station (CWS).

The M1A2 is arguably one of the most sophisticated tanks in the world, and it's much more advanced.

The tank sale also comes with M88A1/A2 Heavy Equipment Recovery Combat Utility Lift Evacuation.

HERCULES can be used to tow damaged from the battlefield for repairs.

Other support equipment and training will also be part of the package.

**THE M1A2 WILL GIVE
SAUDI ARABIA A
DEFINITIVE EDGE IN
CASE OF GROUND BATTLE.**

THE CH-47F CHINOOK

Riyadh will get around 48 CH-47F Chinook cargo helicopters.

The iconic twin rotor heavy-lift helicopter is a battle proven machine that has flown countless missions into war zones from Vietnam to Afghanistan and Iraq.

While the original Chinook first flew in 1962, it has undergone several upgrades, and is now one of the most modern lift choppers in the world.

CH-47F Chinook is able to carry 33 troops plus 3 crew, with a maximum gross weight of 50,000 pounds, and maximum cruise speed of 160 knots.

The deal also includes 112 Lycoming T55 - GA - 714A engines that the Chinook use, 58 AN AAR-57 Common Missile Warning Systems, and 48 M240H 7.62mm machine guns with spare parts and other hardware.

**CHINOOKS WILL BE A
FORCE MULTIPLIER FOR
THE SAUDI ARMED
FORCES, AS IT CAN BE
USED TO RAPIDLY
MOBILIZE TROOPS AND
ARMS.**

MULTI – MISSION SURFACE COMBATANTS

The MMSC is also equipped with the AN/SLQ-25
Torpedo Defense system

The Saudis will be getting some “Multi-Mission Surface Combatants”, or MMSC ships, which are based on the Freedom-class, primarily built by Lockheed Martin.

The Multi-Mission Surface Combatant (MMSC) is a lethal and highly manoeuvrable multi-mission surface vessel capable of littoral and open ocean operation.

It has a nautical range of 5,000 miles and can go as far as 30 knots per hours.

The MSSC utilizes the COMBATSS-21 Combat Management System, built from the Aegis Combat System software library.

The MMSC is armed with multiple weapons system which include 57mm Mk110 deck gun, SeaRAM, port and starboard 20mm remote guns and a forward centreline 8 cell MK 41 Vertical Launch System equipped with RIM - 162 Evolved Sea Sparrow Missiles.

The MMSC is also equipped with the AN/SLQ - 25 Torpedo Defence System.

THIS WILL GIVE SAUDI ARABIA THE MOST POWERFUL AND EFFECTIVE NAVAL FLEET IN THE REGION.

THESE SHIPS ARE DESIGNED TO OPERATE IN SHALLOW WATERS GIVING SAUDI ARABIA FULL CONTROL OF THE RED SEA, THE GULF OF ADEN AND SURROUNDING WATERS.

THAAD – AIR STRIKE WITH STEALTH AIRCRAFT

Perhaps the most controversial missile defence system in the world, Terminal High Altitude Air Defence, or THAAD, will be sold to Saudi Arabia.

THAAD, is a anti-ballistic missile system, which is designed to shoot down short, medium, and intermediate range ballistic missiles in their terminal phase.

THAAD uses hit to kill - to - kill approach that is the missile carries no warhead, but relies on the kinetic energy of impact to destroy the incoming missile.

It has a range of 200km. U.S. recently deployed the THAAD to South Korea to protect it against North Korean Missiles.

This is seen as part of the effort to provide Saudi Arabia with cover against the missiles of Iran, its main rival.

In 2004, the FBI uncovered the strategic plan for the Muslim Brotherhood's operations in the United States and Canada.

4 - Understanding the role of the Muslim Brother in North America:

The [Muslim Brotherhood] must understand that their work in America is a kind of grand Jihad in eliminating and destroying the Western civilization from within and sabotaging its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions.

To help achieve its objective of implementing universal Islamic rule, the Muslim Brotherhood established a series of other organizations across the globe.

They include

Islamic Society of North America (ISNA)

ISNA Fiqh Committee (now known as the Fiqh Council of North America)

Muslim Public Affairs Council (MPAC)

ISNA Political Awareness Committee

Council on American-Islamic Relations (CAIR)

Muslim Youth of North America

YOU SHALL WRITE IN YOUR PRECIOUS BLOOD:

LONG LIVE ISLAM. LONG LIVE ISLAM.”

Two of the most notable organizations are:
Council of American-Islamic Relations (CAIR)

الله أكبر and والله الحمد
Muslim Students' Association (MSA)

Only 2 years after Huma left Anwar al - Awlaki the Al Qaeda member and preacher to 911 hijackers became chapelling of the same **MUSLIM STUDENT'S ASSOCIATION** that Huma Abedin was a part of.

To make things worse, Huma's mother Saleha Abedin is a leading member of the Muslim Sisterhood. The women's division of the Muslim brother hood.

The Sisterhood's "goal is *to gain and acquire a unified perception in every nation in the world regarding the position of women.*"-- namely, the role of women under shariah.

All of these organisations share the same goal and tell us repeatedly in plain English.

THEY WANT TO DESTROY WESTERN CIVILISATION AND REPLACE OUR LAWS WITH SUPPRESSIVE SHARIA LAW THAT YOU SEE IN SAUDI ARABIA.

Abdula Omar Naseef and Saudi Arabia funded Al Qaeda tried who were blamed for the attacks on 911. Where was Huma Abedin that day?

The top funders of the 911 attacks created Huma's family business. Huma was officially working for the terrorists and Hilary Clinton the day those towers fell.

Huma Abedin has never come forward with any information about her Saudi Co-workers. Absolutely none of Huma's connections were mentioned by her during the investigations into 911.

She has made no mention of her relation to Abdula Omar Naseef, the Muslim world league, the Muslim brotherhood or her current status at her family business which could be of unimaginable assistance to the FBI and CIA.

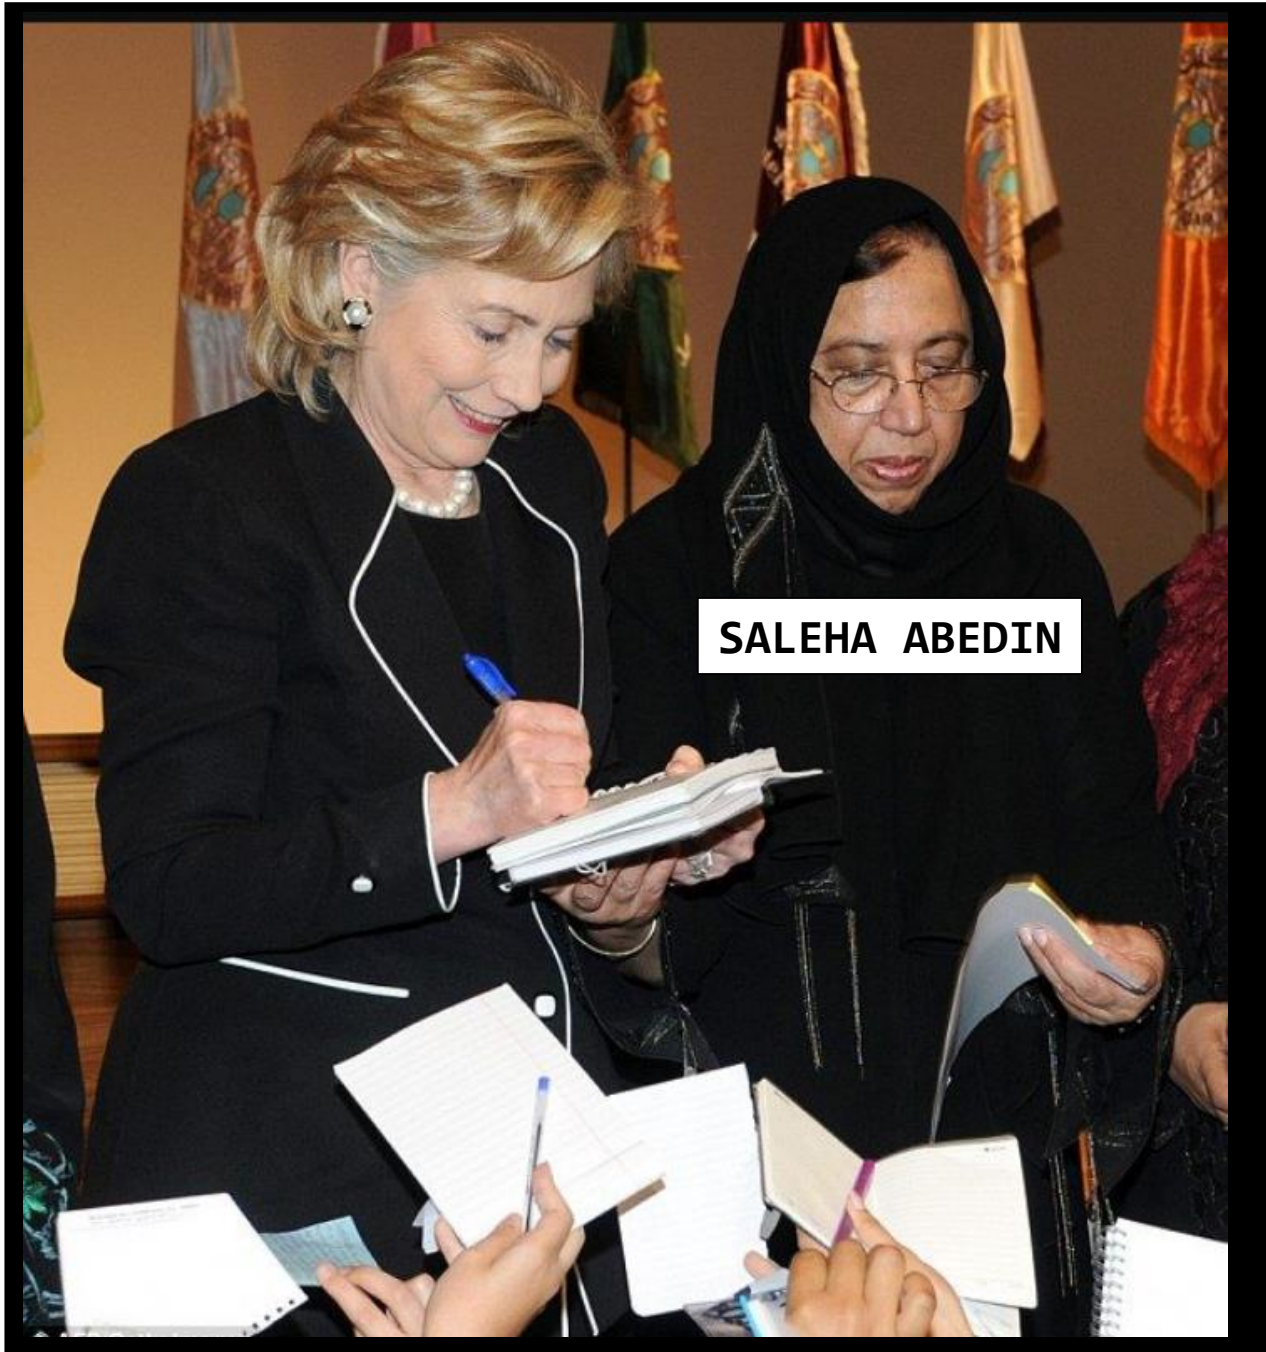

Huma's mother still works for the Muslim world league yet Huma has made no effort to distance herself from her mother or her radical views.

Saleha Abedin is a leading Sharia Activist who has for example published a book called women in Islam that claims secular man-made laws enslave women. It supports.

- Female-genital mutilation
- The death Penalty for leaving Islam
 - The legal Subordination of Women
- Participation of women in violent Jihad

Hilary Clinton has flown to meet with Saleha Abedin many times. Huma says that her mother considers her to be a big deal and is proud of her.

Huma's absolute silence on all questions regarding her extremist ties says for too much. How can someone with such close links to terrorism be allowed access to our top-secret information and have security clearances?

Especially since it was found that Huma was accessing Hilary Clintons emails and physical documents.

The Clinton foundation received over \$25 million dollars from Saudi Arabia and they also funded 20% of her election campaign.

Saudi Arabia funds terrorist organizations, such as:

Al-Qaeda

ISIS

Clinton Foundation

No, this is not a coincidence.

Sadia Arabia's massive influence on the Clintons and the Obama administration has not gone un noticed. The damaging results of Islamist influence on the USA and Europe is worthy of another dedicated report as this is just the tip of the corrupt ice burg.

“President Obama Knowingly and Willingly Armed ISIS”

Defense Intelligence Agency, General Michael Flynn

Ian56 @ian56789 · 3h

It wasn't the Russians or Michael Flynn who committed Treason to arm the al-Qaeda terrorists for Regime Change in Syria - that was Hillary Clinton, Obama, John McCain & the CIA ian56.blogspot.com/2015/11/arms-s...

You can no longer deny that Hilary Clinton is actively working with a global movement whose goal is to destroy western civilisation just for the selfish benefit of money and power.

Huma is the previous hidden link between the Clintons and Saudi Terrorism. Dozens of other people and organisations were left out of this for length.

Any rational person should have high standards for evidence for claims such as this. So here is the fastest way to prove Huma's Ties to Abdula Omar Naseef that you can look up for yourself and is sourced by their own websites.

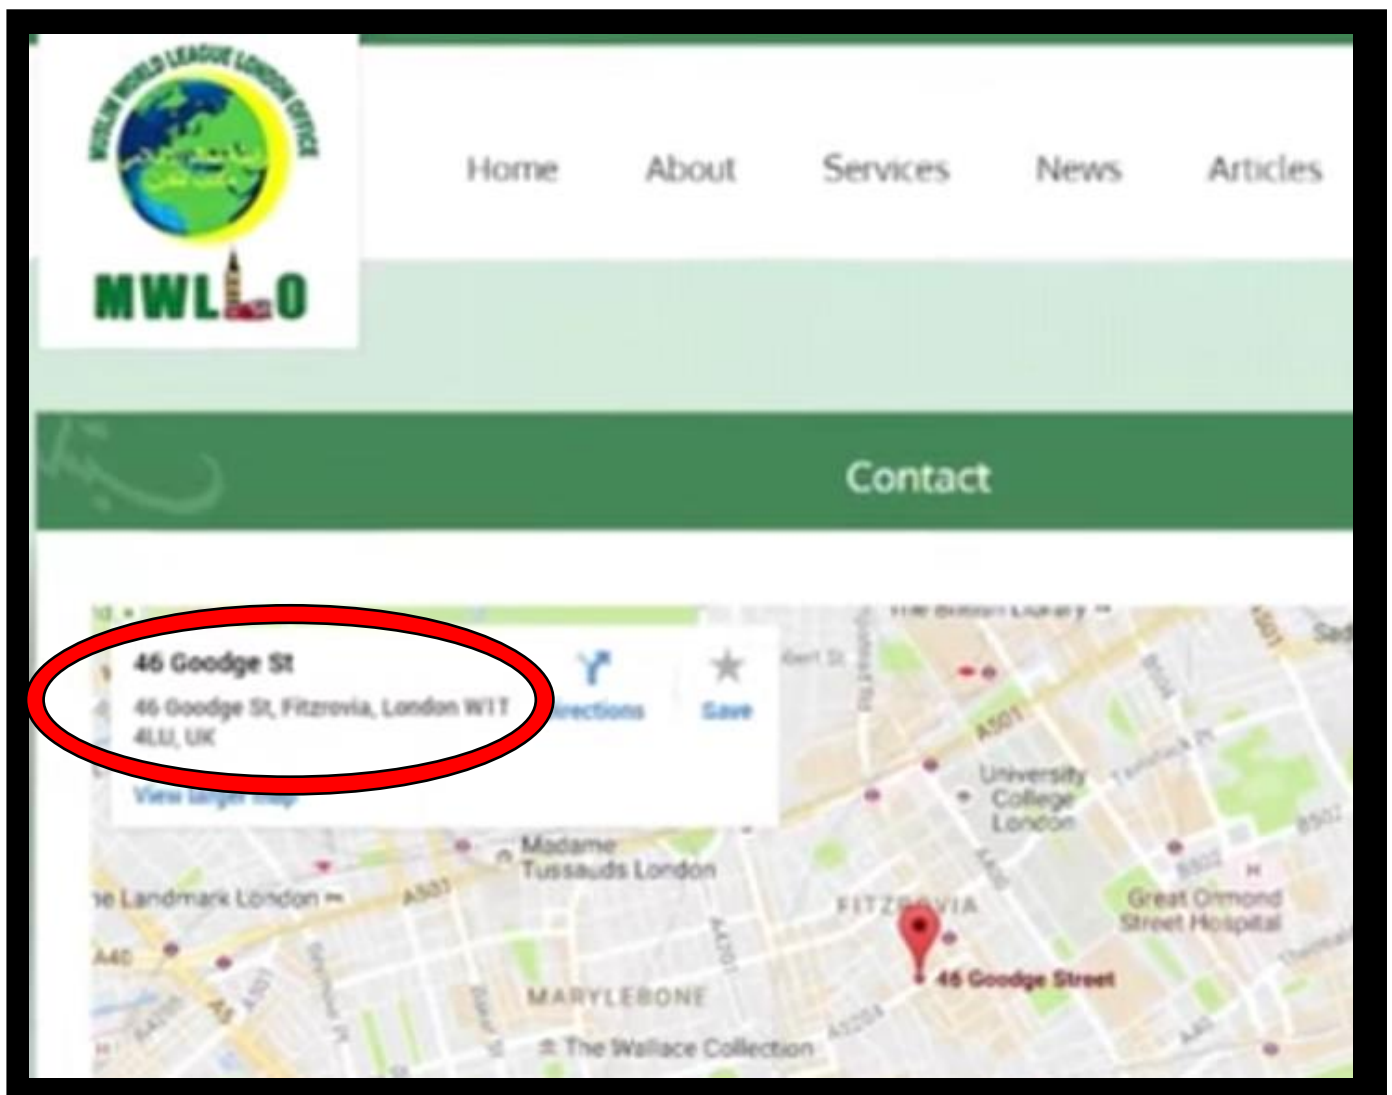

Start at the website for Huma's family business, the institute of Muslim minority affairs. See that Huma's mother Saleha and Huma's brother Hassan, currently manage this company.

The screenshot shows the website header for the Institute of Muslim Minority Affairs. The header includes a logo on the left and a navigation menu with the following items: Home, Journal of Muslim Minority Affairs, Membership, JMMA Editorial Board, Book Series, Instruction for Authors, Call for Papers, Planned Volume, and Contact us. Below the header, the 'JMMA Editorial Board' section is displayed in a table format. The table is divided into two columns and three rows. The first row lists the Editor (Saleha S. Mahmood) and Associate Editors (Hassan Abedin and M. Hakan Yavuz). The second row lists Assistant Editors (Heba A. Khalid and Zulekha Pirani) and the Book Review Editor (M. Hakan Yavuz). The third row lists the Office Manager (Hamid Ismail) and the Editorial Assistant (Sanaa Pirani). Two black arrows point to the names 'Saleha S. Mahmood' and 'Hassan Abedin' in the first row of the table.

EDITOR Saleha S. Mahmood	ASSOCIATE EDITORS Hassan Abedin M. Hakan Yavuz
ASSISTANT EDITORS Heba A. Khalid Zulekha Pirani	BOOK REVIEW EDITOR M. Hakan Yavuz
OFFICE MANAGER Hamid Ismail	EDITORIAL ASSISTANT Sanaa Pirani

Now go to the website for the Muslim world league, owned by Saudi Arabia's and Abdula Omar Naseef. Note the address is listed on their website and 46 Goodge street London.

Now back to Huma's family business. If you scroll down you see that same address, 46 Goodge street London.

description to the *Journal of Muslim Minority Affairs*, reduced rates for books and monographs under the IMMA Book Series, and information on seminars and conferences sponsored by IMMA. If you wish to become a member of the Institute, please return the attached Membership Application form to the Editor. You may also return the application form by e-mail and send the check/bank draft or signature for credit card payment by mail to our London office. Check/bank drafts should be made payable to "The Institute of Muslim Minority Affairs".

Please complete and return the [membership application](#) form along with the payment to:

Website: www.imma.org.uk

Manuscripts for consideration of publication in the *Journal of Muslim Minority Affairs* can be mailed to the Editor as above in two hard copies with disk to the attention of the Editor, or can be sent electronically as a word mail attachment.

Institute of Muslim Minority Affairs is registered in the U. K. as Charity No. 288143

Clearly anyone can prove in seconds that Huma's Family business is owned by Saudi Arabian terrorists, their own websites make no secrets of this fact.

There are no more excuses for Huma's silence.

She has had years of opportunities to distance herself from terrorists and radical views but would rather simply hide. The American people demand and explanation from Huma Abedin and Hilary Clinton before the election.

One simple straight forward question needs to be answered...

Did Abdula Omar Naseef create your family business and were you working with him in any capacity on September 11th 2001?

YES OR NO?

This year marks the 17th anniversary of 911, let's not forget about it so quickly.

Huma's security clearances should be revoked until she or Hilary directly address this national security threat.

Unfortunately, in the mean time because of the overwhelming silence and lies it appears to be true that a vote for Hilary Clinton will be a vote for Huma Abedin, The Muslim Brotherhood, Saudi Arabia, Al Qaeda and a wish for the complete destruction of the united states of America.

My name is
Huma Abedin.

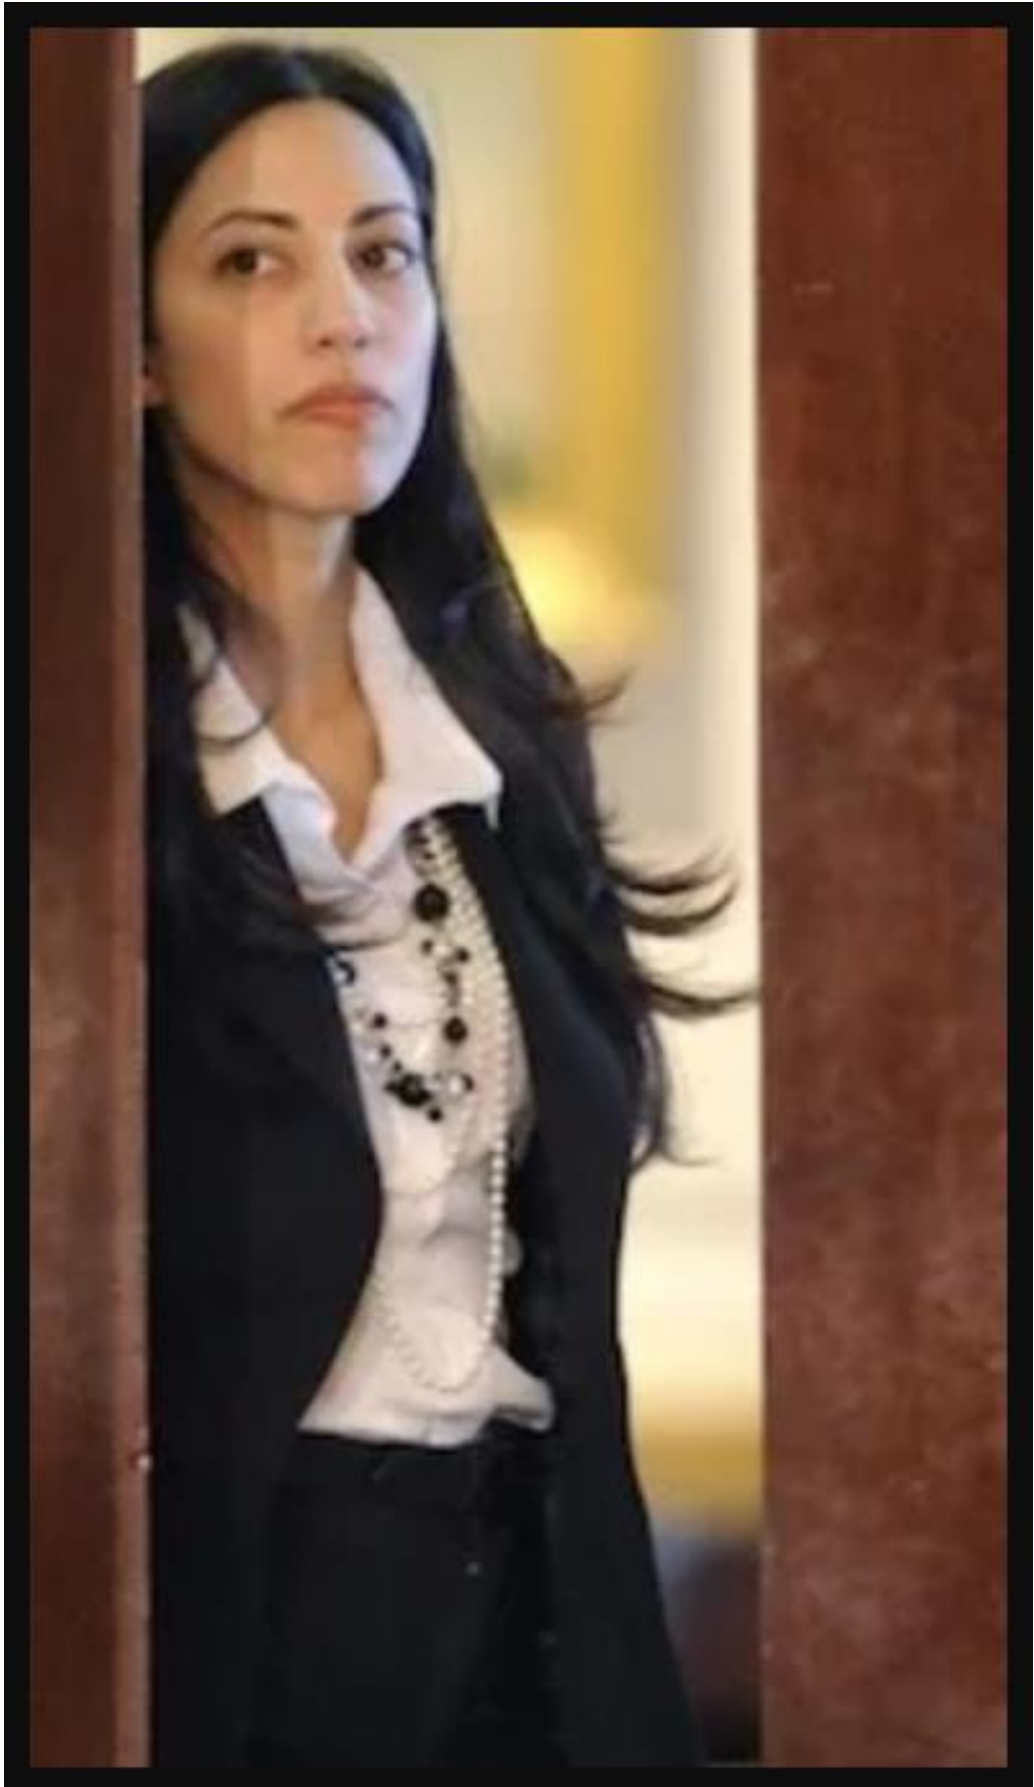

- I am a Muslim with family ties to terrorist groups.
- My husband is Anthony Weiner. The disgraced sexual deviant who sends pornographic pictures of himself to girls online.
- I met Hillary at nineteen and never left her side. She calls me her second daughter. I influence every decision she makes.
- Remember my name.
- If Hillary is elected president, I will be running the White House.

Eyes:	Blue
Height:	6'00"
Weight:	180 lbs

Jeffery Epstein is a billionaire paedophile who was convicted in 2008 for soliciting prostitution with an underage female, in 2005 he became known to police. He paid a 14-year-old girl £300 for sex. He served 13 months in prison.

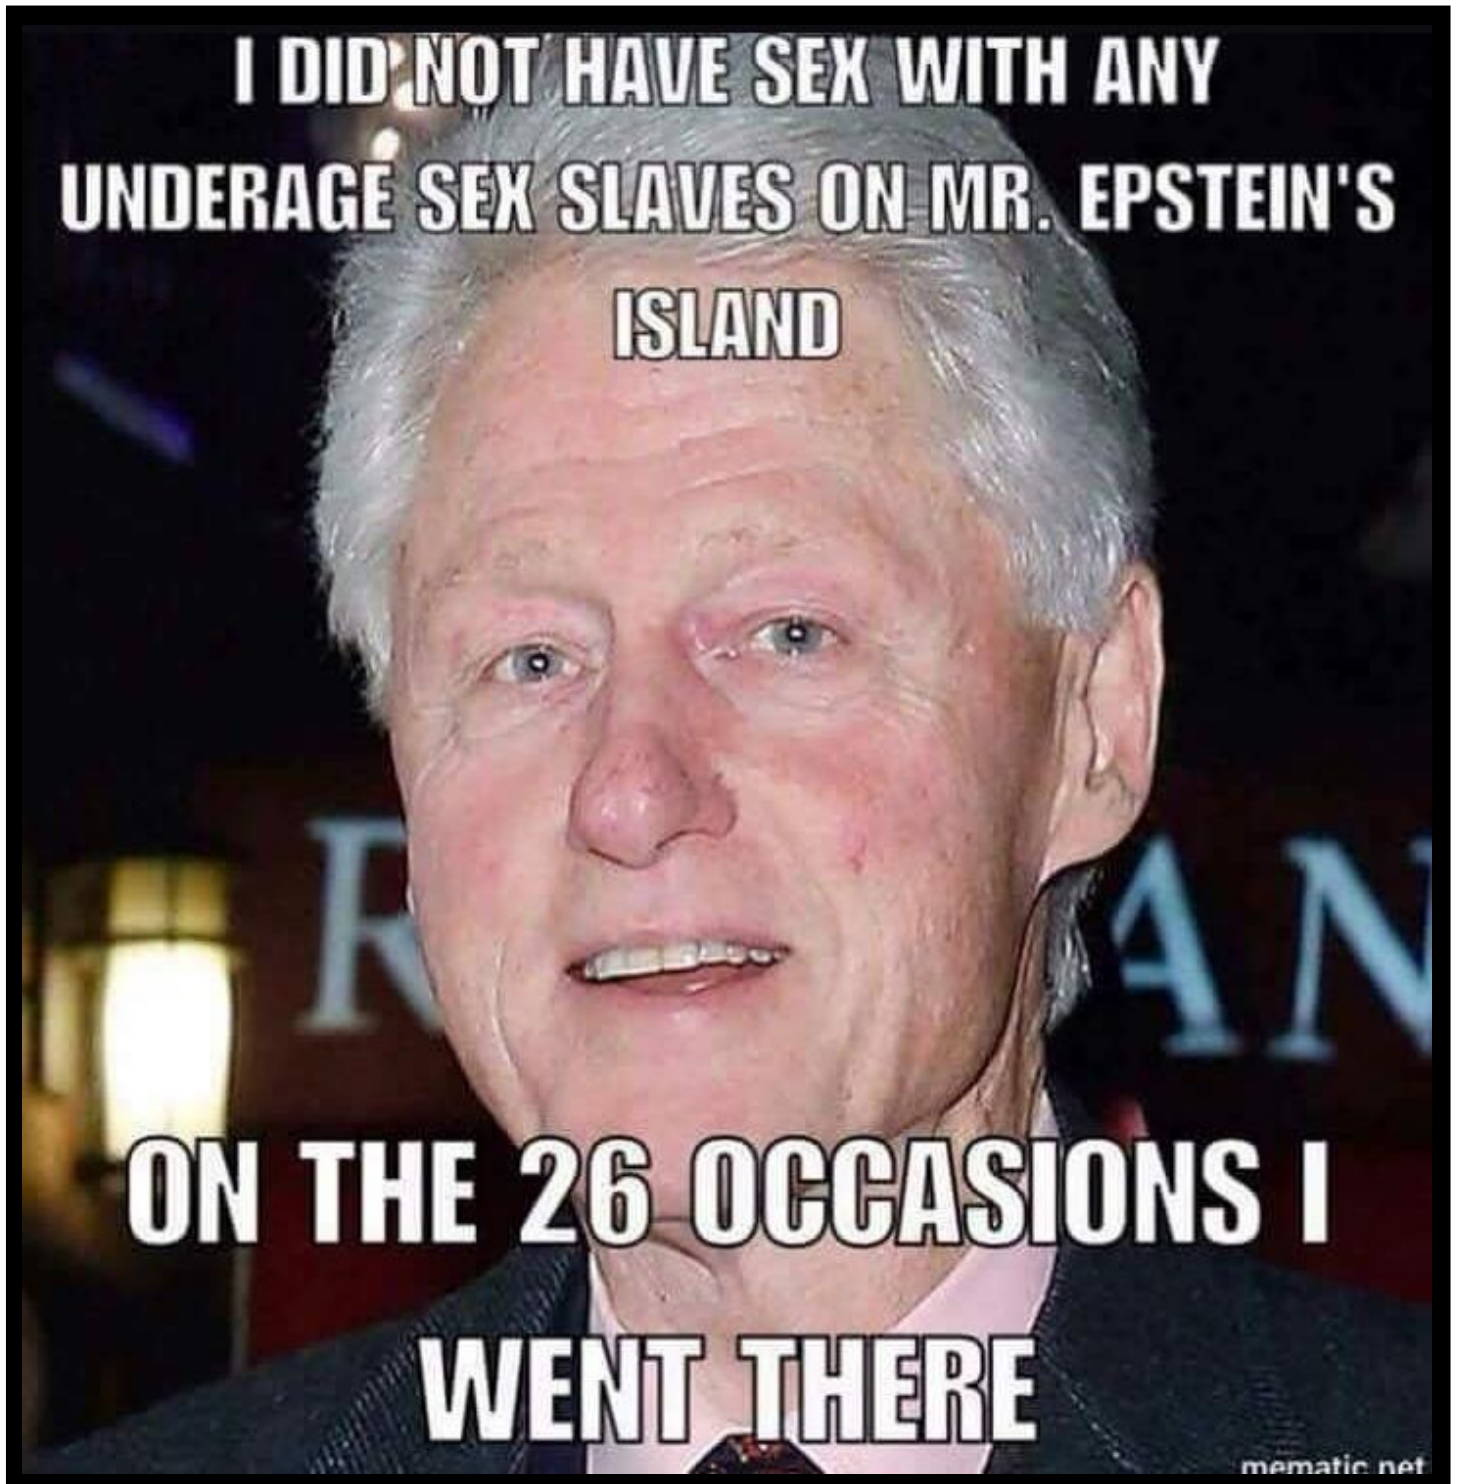

Since then over 40 women have come forward saying Jeffery Epstein is a sexual predator and not only had sex with them, but also shared them amongst very powerful influence people, male and female.

He owns an island called "Little Saint James" and has flew very powerful celebrities, businessmen and politicians on his private jet (The Lolita Express) to his secret island for underage sex with minors.

UNDERAGE CHILD SEX ORGY ISLAND

Flight logs show that **BILL CLINTON HAD VISITED THE ISLAND 26 TIMES** and each time told his secret service agents to not follow him.

Flight logs also show that **HILARY CLINTON HAD VISITED THE ISLAND 6 TIMES.**

Billionaire sex offender Epstein once claimed he co-founded Clinton Foundation

"Lolita Express"—the private passenger jet owned by billionaire pedophile Jeffrey Epstein

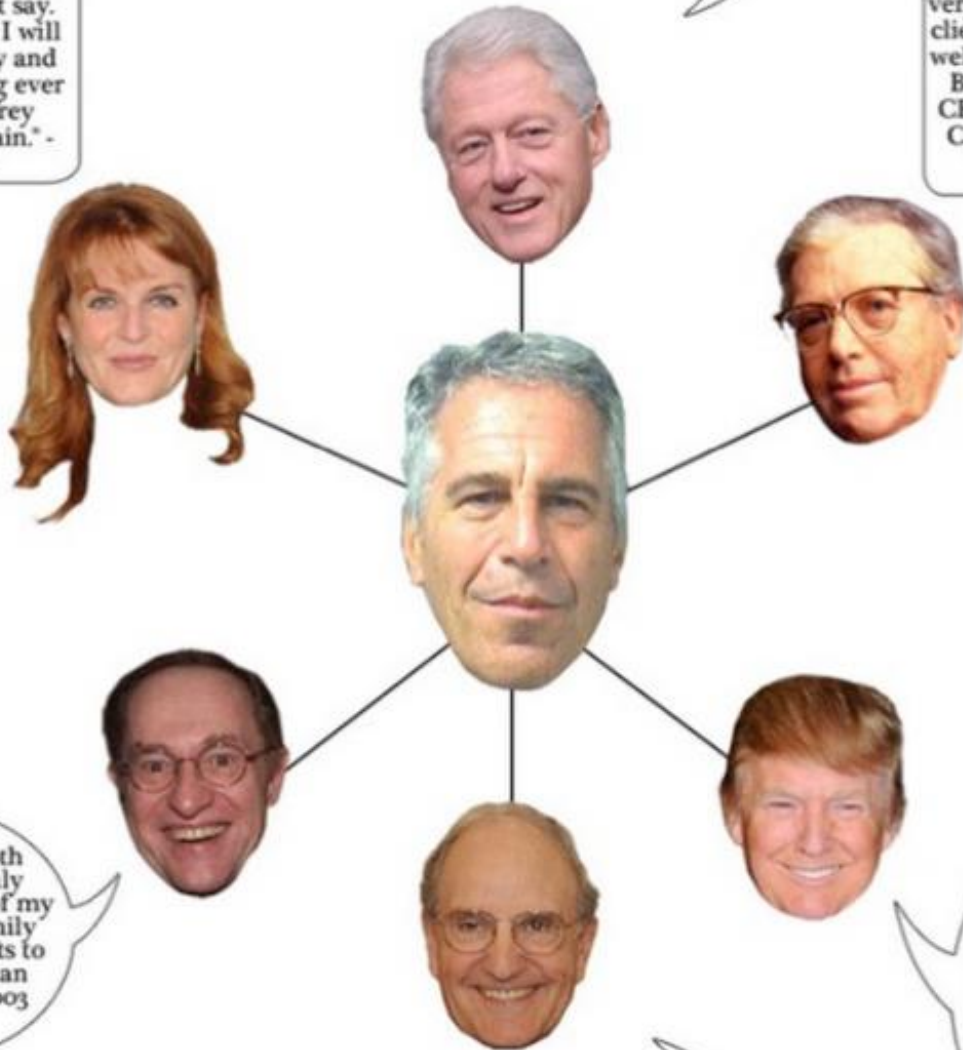

72-acre island called "Orgy Island" on Little St. James in the U.S. Virgin Islands owned by Epstein

dubbed the "Lolita Express," which reportedly offered underage girls to passengers to rape.

"Jeffrey is both a highly successful financier and a committed philanthropist with a keen sense of global markets and an in-depth knowledge of twenty-first-century science." - Bill Clinton, 2002

"He is a very smart guy and has become a very important client for us as well." - Former Bear Stearns CEO Jimmy Cayne, 2002

"...This was a gigantic error of judgment on my behalf. I am just so contrite I cannot say. Whenever I can, I will repay the money and will have nothing ever to do with Jeffrey Epstein ever again." - Fergie, 2011

"I'm on my 20th book... The only person outside of my immediate family that I send drafts to is Jeffrey." - Alan Dershowitz, 2003

"He has supported some philanthropic projects of mine and organized a fund-raiser for me once. I would certainly call him a friend and a supporter." - Former Senator George Mitchell, 2002

"I've known Jeff for 15 years. Terrific guy. He's a lot of fun to be with. It is even said that he like beautiful women as much as I do, and many of them are on the younger side. No doubt about it - Jeffrey enjoys his social life." - Donald Trump, 2002

Rumors stirring in the NYPD that Huma's emails point to a pedophila ring and [@HillaryClinton](#) is at the center. [#GoHillary](#) [#PodestaEmails23](#)

Carmen Katz

My NYPD source said its much more vile and serious than classified material on Weiner's device. The email DETAIL the trips made by Weiner, Bill and Hillary on their pedophile billionaire friend's plane, the Lolita Express. Yup, Hillary has a well documented predilection for underage girls, and Mr. Weiner just could not bear to see those details deleted. We're talking an international child enslavement and sex ring. Not even Hillary's most ardent supporters and defenders will be able to excuse THIS!

GO TO WWW.CHARLESORTEL.COM FOR COMPREHENSIVE REPORTS INTO THE CLINTON FOUNDATION CRIMINAL AND FRAUDULENT ACTIVITIES.

GO TO <http://bit.ly/2dQW041> TO VIEW A PDF OF THE CURRENT BODY COUNT SURROUNDING THE CLINTONS.

AS OF 2016 THERE ARE OVER 60 PEOPLE WHO HAVE DIED UNDER STRANGE CIRCUMSTANCES JUST BEFORE THEY WERE ABOUT TO RELEASE INFORMATION AGAINST THE CRIMINAL ACTIVITY OF THE CLINTONS.

THE CLINTON BODY COUNT

NEW! Updated for Hillary's 2016 run!

My thanks to everyone who took the time to write and suggest corrections. Many changes have been made to this list based on the info sent in and more will be added in the very near future.

In compiling this list I have tried to find as much photographic evidence as I can, but surprisingly (or maybe not so surprisingly) these people in many cases seem to have been erased from the internet!

The following is a partial list of a large number of persons who have recently met their demise in suspicious circumstances who appear to have some connection to the Clintons. I stress partial because new additions are coming in faster than closets can be found to hide the bodies in!

**DO YOU NEED TO FIND HILLARY
CLINTON?**

**JUST FOLLOW THE TRAIL OF DEAD
BODIES**

**NEXT TIME SOMEONE SAYS
"HILLARY CLINTON 2016"
REMINDE THEM OF THIS...**

**U.S. AMBASSADOR, CHRISTOPHER STEVENS, WAS
RAPED, TORTURED, CATTLE PRODDED AND BURNED
TO DEATH FOR SEVEN HOURS WHILE BARRACK OBAMA
AND HILLARY CLINTON IGNORED HIS PLEAS FOR HELP.**

**“I SWEAR TO TELL A LIE,
THE WHOLE LIE AND
NOTHING BUT THE LIE.”**

In 1975 when I was 12, I was raped by a 42 year old man. Hillary Clinton volunteered to be his lawyer.

In court, Hillary told the judge that I made up the rape story because I enjoyed fantasizing about older men.

Hillary got my rapist freed. In 1980 she gave an interview where she admitted she knew he was guilty. And she laughed about it.

**Hillary Clinton is an advocate for rapists.
Not for women or children.**

ATTENDS SATANTIC RITUALS.**

EXPOSED

While Hillary Clinton was Secretary of State, \$3 billion dollars in earthquake aid went to Haiti.

At about the same time, Hillary Clinton's brother Tony Rodham received the first gold mining permit granted in Haiti in more than 50 years, according to a new book.

You don't think there's any connection, do you?

HILLARY DEDUCTED \$1,042,000 IN CHARITABLE CONTRIBUTIONS FROM HER TAXES

\$1,000,000 OF THOSE CONTRIBUTIONS WENT TO THE CLINTON FOUNDATION

SHE CUT HER TAX BILL BY \$1 MILLION BY DONATING TO HERSELF

REMEMBER THAT NEXT TIME YOU PAY YOUR TAXES

**Ask Hillary where is the money?
More than Six billion dollars is missing.
Before she runs she owes the taxpayers an
account of her last job.**

**How much do you have to lose to get fired in a
normal business like McDonalds, WalMart, or
gas station? Hillary lost \$6 billion - wants promotion.**

PART 14 - FBI ANONYMOUS

FBI ANON

EXCERPTS FROM AMA 1 PART 1

Beginning on 7-2-2016 a series of posts to the anonymous message board 4chan were made by a poster claiming to have insider information on the FBI's case against Hillary Rodham Clinton (HRC) and the Clinton Foundation (CF). This person became known as FBI Anon. It is impossible to verify the identity of FBI Anon or the authenticity of their claims. The following are excerpts from the first FBI Anon AMA thread from 7-2-2016. A full record of the AMA is available on blackpilled.com.

FBI ANON SPEAKS - PART 1

November 2, 2016 in history | Tags: 2016, Clinton Foundation, Democratic Party, Donald Trump, election, ethics, George Soros, Hillary Clinton, United States

The site 4chan has had several AMAs (Ask Me Anything) threads featuring one or more agents going loosely by the name FBI Anon.

HE - OR THEY - ARE ALL WORKING ON 'THE CLINTON CASE'.

What follows over the next few posts are FBI Anon's comments from the following threads:

- July 2 (before either the Republican or Democratic National Conventions and just after Loretta Lynch and Bill Clinton had their conversation on her plane) – today's focus.

- September 25 (just before the first debate) – future post.
-
- October 17 (the most recent) – future post.

A language alert applies to all three.

However, what FBI Anon says cannot be completely discounted, even if some disinformation – perhaps 10% – is mixed in.

The agent includes the disinformation in order to keep his job. It is unlikely that it pertains to big ticket topics, but smaller ones.

A number of 4chan participants do not believe what FBI Anon says, but the guys at The Donald are confident that what he says is mostly accurate and should be noted.

N.B.: After this, you will never think of the Democratic Party or the Clintons or their foundation in the same way again. When I first read these threads, I thought about them for days afterward. I am presenting this information to you to help you and yours make an informed decision on November 8.

FBI Anon asks the 4chan folks to spread the information. I found various threads on The_Donald about him. This one lists all the 4chan FBI threads.

I shall do my best to divide everything up by topic. I have edited out the foul language and corrected some spelling and grammatical errors. Emphases mine below.

Reference is made below to a SAP – Special Access Program – which FBI Anon defined as follows (July):

A Special Access Program is an intelligence program classified above top-secret. They are held on closed servers at secret locations.

The only way to get one is if you are specifically read on to a program, have a need to know, then you must physically go to a location and pass through several layers of security to even look at the program. A good example in non-classified terms would be the locations and operations of our intelligence operatives around the globe, or our missile silo locations.

FBI ANON INTRODUCTION

I am a person with intimate knowledge of the inner workings of the Clinton case. I will answer as many questions as I can without giving too much away.

WHY FBI ANON WENT TO 4CHAN IN JULY

Sent home, awaiting word about the [chaos] Lynch just caused.

CHANCES OF HILARY CLINTON BEING BROUGHT TO JUSTICE

There is intense pressure for us not to do so. I am posting from a position of near anonymity and enough plausible deniability to evade prosecution, as we have all been given gag orders.

There is enough for her and the entire government to be brought down. People do not realize how enormous this whole situation actually is. Whether she will be or not depends on how much info about others involved gets out, and there are a lot of people involved.

She had SAP level programs on her server, which if made public, would literally cause an uprising and possibly foreign declarations of war.

There already is enough to indict. Comey has been trying to stall because he does not want to face the Clinton Machine, as well as the rest of Washington D.C. But this case would explode into a million other cases if fully brought to light, and then we would be one agency competing against the entire government and a hoard of other interests. It is a very tense and uncomfortable position.

What Lynch is saying is she will accept whatever they do and make her determination as she will. Nothing about her responsibilities has changed, she is simply trying to keep her hide intact.

We have no power to prosecute, we simply hand over the data to the DOJ for them to prosecute. And we do not have the authority to hand over all of the data because of its sensitivity. And some of the data will lead into other cases of corruption.

Making a recommendation is not the same as actually prosecuting. We only say “here is the data, you need to get XYZ” and then the DOJ acts.

We have our hands tied. My message to you and everyone on this board is do not get distracted by Clinton’s e-mails. Focus on the Foundation. All of the nightmarish truth is there. The e-mails will pale in comparison.

SPECIAL ACCESS PROGRAMES - (SAPS)

All I can tell you about the SAPs is HRC had them, and she did not have proper authority to have any of them. They were leaked to her by someone, and she did sell them to overseas donors. Possessing them alone makes her guilty of treason.

Sec. [of State] CAN have access. That does not mean he/she WILL. SAP is granted on a need to know basis, and HRC did not have any need to know any of the programs on her server.

PUBLIC KNOWLEDGE OF ISSUES INFLUENCING
CONTINUED INVESTIGATION

Before the Clinton-Lynch meeting, I would have said 0%. Now it looks more likely because the public now sees the Clintons trying to cover their asses. More questions will add pressure for the investigation to continue.

THE CLINTON FOUNDATION (CF)

The real point of interest is the Clinton Foundation, not the e-mail server. We received the server from Benghazi, then from the server we found data on the CF.

Then we realized the situation is much worse than previously thought.

Killing HRC would not cause this problem to go away. The problem is with the Clinton Foundation as I mentioned, which you should just imagine as a massive spider web of connections and money laundering implicating hundreds of high-level people. Though I do not have a high opinion of Hillary, she is just a piece -albeit a big piece - of this massive [horrible situation].

Obama is loosely tied to the CF, but much more tied in with the same people who donate to the CF.

BC likely wanted LL to focus on the e-mail server and shy away from prosecuting the foundation.

[The Foundation] Sold influence, intel, favours, and people to anyone willing to pay.

(next comments from continuation thread)

The people under the magnifying glass do have an affinity for children. Paedophiles and sex traffickers everywhere. Many politicians trade girls like cattle.

WHY NO ONE ELSE IS BROUGHT TO JUSTICE

The DOJ is most likely looking to save itself. Find everyone involved in the Clinton Foundation, from its donors to its Board of Directors, and imagine they are all implicated.

My opinion is the entire government is guilty of treason, which is why HRC's death would not cease the investigation or prevent further scandals. Many, many people are involved.

If we recommend, we literally hand over documentation implying the entire government is involved in treason at the highest levels and everyone is about to duck and cover, as well as some sensitive details of SAPs which would obliterate national security.

[Then again] If we do not recommend, it will look like a cover-up and Trump will use the perception to bolster his message. I did work in PsyOps once, and Trump's use of confirmation bias is legendary.

We could do it tomorrow if we wanted. [But ...]
There are too many political players involved.

Your moral inclinations may look good on the internet, but in real life the situation is complicated. You cannot possibly ask the entire government to prosecute itself.

Lynch has also given to the Foundation, and has many ties to many people she should not. Remember that Bill appointed her. She is a great prosecutor, but she did not get where she is by simply being good at her job.

The problem is with the entire government.

HRC is one component of that government.

... you do not have the breadth of info that I have that would make your eyes fall out of your skull if you knew what all was going on.

GEORGE SOROS

Soros is at the heart of all of this.

He is the kingpin.

Ideologue. Believes he and his cohorts are the answer to ending all world wars. Todd Huizinga's book The New Totalitarian Temptation reveals the mindset quite adequately.

Soros funds, instructs, and influences every layer of US government, right down to the tax code.

AGENTS FEARING FOR THEIR LIVES, INCLUDING CLINTON RETALIATION AGAINST THEM

We are all worried about that.

My bosses have the benefit of being in the limelight. Their disappearances or silences would be accompanied by questions. Mine would not.

I do not want to post any information about me or where I am, because if any hint got out that I posted anything, I would be fired and blacklisted. Possibly killed.

DOES HILARY KILL PEOPLE?

People have a way of dying around her.

HILARY AND OBAMAS RELATIONSHIP

Obama and HRC do hate each other. HRC hates black people and Obama dislikes recklessness. As far as the investigation, some details are correct. As to the outcome, no one knows.

THE OBAMAS

Obama is a liberal atheist who is willingly associated with the Muslim Brotherhood. Stephen Coughlin's book, while not totally accurate, does shine light in the right direction.

(next comment from continuation thread)

Michelle is a woman.

WHO ELSE HAS THE EMAILS?

Foreign powers are in possession of some of the documents we have analysed, because they were hacked from the Clinton server. Trump has some files as well, and likely plans to leak them and use them to his advantage soon.

The leaks will have to be made in a non-transparent fashion.

WHAT ABOUT RUSSIA?

I am not sure, but some of my war strategy buddies are estimating a high probability that Russia will leak all of the info they have to the world, since Clinton wants to go to war with them and they have no desire to be in conflict with the US.

(next comment from [continuation thread](#))

Russia wants Ukraine back, and then they want to be left ... alone to invest. Russia is more a paragon of freedom and nationalism than any other country.

OTHER FOREIGN RELATIONS IMPLICATIONS

[HRC responsible for selling] Weapons, favours, intelligence, and people.

It benefits her because her donors have paid for it.

Canada has no business telling us how to run intel. Trudeau makes you[Canadians] all look like fools, and already his intel departments are coming to us for help doing ... everything.

Germany is not involved. Merkel likes HRC though.

(next comments from continuation thread)

Get rid of Trudeau. He has no experience managing or running a country.

Mexico is actively trying to undermine the US.

THE MEDIA

Mainstream media is [dire]. Who cares what they say. They are attempting to distract by putting the focus on HRC's emails and not the Foundation.

IF HILARY WINS

We will go to war with Russia and possibly China if she wins.

DONALD TRUMP

The entire government is corrupt. No one is clean, not even Trump.

Trump has donated to the Clinton Foundation in the past, though for fairly innocuous things like building permits and such. He is smart, so his tracks are covered well. But if any prosecutor wants to go very in-depth Trump would be brought on bribery charges. He could easily get out of them, but he would be charged nonetheless.

I do not know of Trump's record, but from the case he definitely knew to limit his exposure and make it only look like a donation.

If Trump wins, HRC will be prosecuted.

Trump has very good people advising and leaking to him.

Trump is not a Clinton plant. He believes they are disgusting animals.

[Sidney] Blumenthal is attempting to get dirt on and strategize against Trump.

(next comment from continuation thread)

I support Trump. He is a good candidate. Not perfect, but good. I used to work in PsyOps, and Trump's campaign is exactly how the textbooks train. It will be studied by agents forever.

Most of us are pro-Trump.

HRC hates that Trump makes the media profitable, so they have to keep covering him.

THE CHOICES

I will put it to you this way: You have three choices,

A) turn over all of the information to the DOJ, make public a recommendation, the truth comes out, the entire world realizes how much the US is meddling in foreign affairs and we go to war, the civilian population realizes how much foreign money influences our government, and a civil war begins.

B) You cherry-pick the data to implicate the people already in the eye of public opinion, so the chips fall on the heads of a select few and the whole system does not crash.

C) you do nothing and watch the unstable political climate to gauge how you will respond.

I am confident if Trump wins she will be going to jail.

... most of us are of the opinion that HRC will not be president, and having Trump in office makes our job that much easier. But right now, we have to carefully wade through the mud.

A is not going to happen.

Revolutions are much longer and more violent than you think. And if a civil war breaks out, foreign powers will immediately get involved, prolonging any conflict.

[In general] People can integrate if done in a healthy and constructive way. Not by force.

THE AGENTS AND 4CHAN (/POL/ - POLITICAL
THREADS)

The FBI is rather fond of /pol/. We study more than we investigate.

/pol/ is an amalgamation of minds from various geographic and demographic factions.

We study very intensely the ideas which emanate and gain prominence on the board, as well as which ideas other organizations try to promote which ultimately get defeated (JIDF, for example, is highly unsuccessful as making /pol/ pro-Israel). And most of us just enjoy the posts in general. We like to see how close to the truth everyone is. And we occasionally let our true nature slip.

ALEX JONES

(from continuation thread)

Alex Jones is a useful idiot. He does believe what he says, though.

WHAT THE PUBLIC CAN DO

Post about HRC everywhere you can. Focus on the Foundation. Do not let her e-mail server be the sole focus of media attention.

Follow the Foundation. Her e-mails are a small bite compared to the CF.

Promote and discuss it everywhere. Ask questions. Read the news on it. Post articles everywhere. Pirate Jerome Corsi's book (so people can't say I am shilling) because he does have some things right.

If you dig hard into the foundation and make it the sole point of your focus, you will remember this thread when the truth is revealed.

(next comment from [continuation thread](#))

We do not live in a democracy, we live in a republic. There is a lot of greatness in America, and there is still plenty to love. Society and culture are dependent on man. You are in control of society, not the other way around.

FBI ANON SPEAKS – PART 2

November 3, 2016 in history | Tags: 2016, Africa, Clinton Foundation, Donald Trump, election, George Soros, Hillary Clinton, history, media, Obama, Russia, United States, World War III

Yesterday's post featured FBI Anon's July 2 conversation with members of 4chan.

The background to an anonymous agent communicating with a group of young, interested and informed people is in that post.

This post covers his conversation about the Clinton case as of September 25, just before the first presidential debate that evening.

One more will follow – from October 17 – which is the subject of tomorrow's post.

N.B.: Take or leave this information. It's up to you. People tend to dismiss it because they are decent souls who find it too incredible. However, this is what one of the 4chan members says (two-thirds of the way through the thread):

A lot of stuff has been correct, some stuff is wrong. Just look up the first two threads and you'll see what I mean. I'd say about a 10% incorrect rate. Since he admits he mixes in deliberately wrong [stuff] and also fully admits he of course doesn't know everything and is giving some things educated guesses, this doesn't necessarily disprove him. If he's a roleplay[er], he's a good one, and he's pointed diggers in some useful directions.

To make it readable, I have again divided the information into topics. I have also taken out the salty language, corrected spelling and added explanatory notes where necessary.

Emphases mine below.

ANGRY FBI AGENTS

Most senior Intel guys are furious with Comey and the DOJ in general. Grunts at the bottom are confused and do not know enough.

So much of my faith in the system has been destroyed this past year.

RIGGED POLLS

If the election were held today, the result would be ~15% HRC and 50% DJT. The other 35% are independent/undecided.

So yes, HRC will try to rig the polls, which is why Russia is getting blamed for messing with our election. Of course, they are meddling, but they have no real effect. We will simply blame them so Microsoft can gain total control over the machines and make sure the vote is counted “properly”.

VOTING – IN PERSON OR BY MAIL?

It is better to go in person, but it ultimately does not matter because the votes are machine counted.

WHAT ARE THE CHANCES OF VOTER INTIMIDATION INVOLVING LA RAZA AND/OR BLM?

100%

TRUMPS SAFETY

Assassinating major figures is very difficult and very dangerous, especially today.

There are eyes everywhere, so the best way to kill someone is to assassinate their character, which is why the MSM constantly goes hard after Trump.

Black markets are betting in favour of his assassination, I don't see it happening.

TRUMP CHANCES OF WINNING

95% probable Trump victory.

College is not a representative sample of the voting populace. The voting public is not even representative of the general public. Among people who are voting or have voting histories, Trump is winning, and he's adding way more people who have never voted. A Trump victory is baked in.

IF TRUMP WINS

DJT will put her in jail.

I cannot say for sure, but I expect it will be a major issue at the forefront of his presidency.

The Fed will be a main target of Trump I am sure, since they manipulate so much economic activity in favour of the wealthy.

IF GLOBALISM DIES OUT IN THE US, WHAT IS THE NEXT TARGETED COUNTRY?

Try China.

WIKILEAKS

We suspect they have something big. Before I thought they were blowhards with no information, but now I am starting to think they got a hold of something damaging.

I do not know what WikiLeaks has, and am very much looking forward to reading their material.

RUSSIAN INVOLVEMENT

We know the Russians got a hold of something in her servers. Tbh, I believe she was planning to start a war with Russia, and that the Russians have given select info to Wikileaks to help destroy her campaign. Russia is not the greatest country on earth, but they do not want to be at war with us. The world is weary of conflict.

Any war started with Russia will involve a false flag.

[If Hillary is elected] I expect within one to two years.

MUSLIM BROTHERHOOD INVOLVEMENT

They are involved, but not as much as people think. They are dangerous, and they do want to subvert US to Islam.

IRAN

Iran's actions are the focal point of what is coming next. Saudi Arabia will collapse, as they've been [mess]ing around with oil prices too long to recover. Good riddance.

ENEMY COUNTRIES WITH NUCLEAR CAPABILITIES

They want world domination. Our ICBM defense is very substandard compared to China and Russia.

HIDE-OUTS IN CASE OF WORLD WAR III

The US will probably be the safest place, given the large mountainous regions with plenty of hiding places/natural resources.

**WORLD WAR III WILL LARGELY BE FOUGHT 'ON THE
PLAINS OF AFRICA'**

Sub Saharan Africa.

CREDIBILITY OF 'INSIDER' INFORMATION

The “insiders” are giving out information. Not all of it is correct, some is just fun to think about, others are clearly trying to help me point you in the right direction.

**WHAT ABOUT THE PLAUSIBILITY OF CLINTON
FOUNDATION (CF) AND CHILD TRAFFICKING?**

The CF always operates in countries where birth records are difficult to maintain. Let that sink in for a moment.

OR THE CF AND MISSING PERSONS?

Haiti was a disaster for a number of reasons, but as regards to the CF, a number of people went missing in [the Bahamas] shortly after the CGI [Clinton Global Initiative] set up shop. Maybe someone can find out why.

[Original statement said 'Haiti', which he later changed to the Bahamas.]

Anywhere the CF is peddling their HIV/AIDS solutions, inevitably missing people and questionable organizations with enormous cash flows appear.

DID OBAMA REALLY USE A PSEUDONYM IN HIS EMAILS?

We leaked this. It just goes to show how corrupt the whole of government is.

[Politico has the story from 2015. Those were State Department email leaks.]

**WAS STONETEAR TRYING TO WIPE OBMAMAS EMAIL
HEADERS?**

Yes.

[Stonetear actually went on to a Reddit forum to ask how to do this for a 'VIP' customer of his. The comment below relates to how anyone could be so stupid.]

You are under the false impression that our government is competent in anything.

**COULD OBAMA BE IMPLICATED IN THE CLINTON
INVESTIGATION?**

Obama would be impeached if the truth were out. Unfortunately, the entire government would collapse, and Americans would revolt tomorrow, assuming most people believe the truth. Once you know what the real deal is, it is hard to have faith in people anymore.

OBAMAS FINAL MONTHS AND FOREIGN POLICY

The president is doing last-minute stuff to try and convince world leaders that America will remain as it is. The problem is, no one wants America's policies to continue.

MORE ON OBAMA

Obama is an atheist liberal with Muslim sympathies. He was born in the US, but spent a good portion of his childhood overseas. He also has Chicago mob connections through his father.

[His father – Frank Marshall Davis of Chicago??]

HILARYS HEALTH

We believe she has Parkinson's.

HILARY INFLUENCED BY THE ROTHSCHILDS

Their relationship is mentor/protégé.

THE BILLARY MARRIAGE

Theirs is a political marriage, they barely spend any real time together.

STORIES ABOUT HILARY AND MOLOCH

Disinfo.

GARY JOHNSON (LIBERTARIAN)

Gary Johnson's true support is hovering around 1%. No one cares about that idiot. I actually have met him at a party one time, and he is actually incredibly cringy. My wife thought he was gay.

IS THE NSA COMPETENT?

Not really. Do they have a ... ton of info?
Yes. Do they share it? No. Do they even know
what they have? No.

CIA IN THE MEDIA

[Anderson] Cooper and [Wolf] Blitzer are
both former CIA.

AMERICANS AND THE MEDIA

Right now we know the public no longer trusts
the media, so when they report on things
people fact-check, which is why they dropped
the “Pepe is bad” story this week. As soon as
they reported it, people started flocking
here en masse.

[Pepe is the unofficial Trump campaign
mascot. He is a comic book frog. Read more in
[my post about the Deplorables](#), near the end.]

The financial papers are usually better reads because they are written for businesspeople, and usually big money decisions require solid info. Stay away from politically oriented sources though. I like to read Investor's Business Daily, the Wall Street Journal, Drudge Report, Mish's Global Economic Trends, Al-Monitor, Government Executive, The Hill, and Asia Times. Those are just a few of the sites I read though. I use Feedly to aggregate all my news.

WHAT ABOUT ATTACKS AND BOMBINGS GOING ON IN THE US LAST SUMMER?

Bombings were false flags, everything else is media hype. BLM is a waste of time. The crime rate among blacks is virtually unchanged, it has always been high, the only thing different is the media attention.

WAS THE ALBAMA GAS PIPELINE BREAK AN ATTACK?

Yes.

CLINTONS INVOLVEMENT WITH IMMIGRATION

I do know they helped push immigrants through the border, just like every other politician, but that is the least of their sins.

THE LATEST SMOKING GUN

The latest FBI doc dumps. The redactions aren't hard to figure out if you're putting 2+2 together

WHY AND HOW FBI INVESTIGATION STALLED AT THAT TIME

Imagine I have three guys working on a project. It's in the purple or SAP [Special Access Program]-[above top-secret] level, and none of them know who is working on said project with them or what the big picture looks like. They're isolated from one another. I tell two to pause and one to stop completely, the project never gets finished and no one knows why.

That's the type of stuff going on in the department right now. Because I am a big picture guy, I know it's to stall so HRC can run out the clock.

WHY THE IMMUNITY AGREEMENTS?

They can take the 5th or get immunity from us. We grant it because we want to know how deep this [hell]hole goes, and they take it because they believe they will be pardoned. We can terminate immunity agreements if the information prosecutes someone without an immunity agreement, i.e. HRC.

WHY DOESN'T FBI ANON DO SOMETHING HIMSELF?

I have tried explaining this, but since some of you are too dense, I will try again.

I could go into my office, pull all the docs (though I would get arrested shortly after), come home to my pc and upload tons of dirt on HRC right here. But do you know what will happen?

Google will remove it, and then this website will be shut down. It will go down with no reason, no explanation, the founders will all be investigated by the DOJ, and though they may not be found guilty the harassment will be long enough to stop them in their tracks. Nothing will get done.

Instead, I layer the truth with just enough [nonsense] to make my story believable. Now, people are looking at it, some don't care, others doubt me, but the bottom line is this board has become a place where anti-Hillary sentiment reigns supreme.

And because the anti-Hillary sentiment is so strong, the MSM is attacking this very board because it knows people are coming to see what is going on, and what is going on does nothing for HRC's campaign.

FBI ANONS SAFETY

Last time I made a thread (which was a few months ago, I don't remember exactly) things got a bit too close. People started asking questions, but most people from all over the government don't suspect anyone because I make sure to post enough nonsense that no one will believe or take seriously. Nuggets of truth.

My wife is well, though she doesn't like when I do these anymore. She doesn't want me to get suicidal.

I don't need recognition, I just don't need Hillary Rodham Clinton to become president of the United States.

It's gotten to the point where my wife and I have made a suicide pact if she actually gets elected and serves enough time to do damage.

I came back [to 4chan] because I left you guys in the fog, and though it's tempting to think I am doing some secret stuff, I'm really a normal guy with a family and stuff to do.

My wife is a housewife, and she knows how to handle herself. She's a great woman.

JASON CHAFFETZ

(Republican congressman for Utah, head of House Oversight Committee and hearings on Clinton investigation) I know him personally. He is furious over what has happened, but is constrained by the DC beltway groupthink. If DJT gets elected, expect him to unleash his full fury on HRC.

VICTORIA NULAND

(Assistant Secretary of State, career dating back to Bill Clinton's presidency)

You are on the right track.

MYSTERIOUS DEATHS, INCLUDING JUSTICE ANTONIN SCALIA'S

Not sure about Scalia, the Clinton Kill List is very, very legit. Some are natural causes, but the ones that seem too outrageous, actually are. I forget his name, but the one who claimed to be investigating the Octopus who ended up in a duffel bag locked from the inside [happened in London], he was investigating the Clintons.

4CHAN /POL/ (POLITICAL THREADS)

I do my part by coming here and answering questions.

It has been a while, and unfortunately the investigations have stalled so I am not very helpful, but you guys collectively are fighting against the negative perceptions.

Everyone thought they couldn't make a difference, now the MSM is openly trying to frame this board and others as right-wing extremists to discredit us. That should send a clear message as to how threatening this board actually is.

Keep making noise and bringing people on the board.

Many of my colleagues openly discuss 4chan. We share our thoughts in private, but most of us know what she did was illegal. Even basic intel people have briefings that can last for 10 hours telling us what we can and cannot do with information. You do not need intent to prosecute. We are told this every day, we can be negligent and still get [messed about].

They [the media] know you won't find anything concrete, they are worried that you are creating negative perceptions of HRC that cannot be whitewashed (which was the whole point).

We have no moles in her campaign.

I am on /pol/ pretty much every day. I don't always browse every thread, but I keep up (mostly). I spend a lot of time on /fit/, /wsg/, /wg/, and /b/ though. My wife loves /fa/ and /v/.

SIGN OFF FOR THE THREAD

Unfortunately, it's bedtime, my friends. I have a long day of cooking and watching Trump beat the [heck] out of Hillary in the debates tomorrow. If you were in this thread, be sure to take a few shots for me.

WHAT THE GENERAL PUBLIC CAN DO

In my opinion, the topics which you should focus on ... should take priority in reverse order. Details of the Clinton's dirty dealings in China and Haiti are icing on the cake, details which most Americans could care less about because they have no perception of these countries.

Hillary's health is huge, but the best topic to my mind is her intimidation and silencing of the women Bill has raped/assaulted. These women are numerous, yet few have managed to tell their story, let alone have anyone care. You all can make that happen.

Like I said, keep doing what you are doing. Countering the psychological narrative being pushed on people is having an effect.

Volunteer to be a Trump election watcher. Try to set up an organization which will conduct independent exit polls (many states no longer require them since most of them showed the Democrat primaries were rigged).

FBI Anon's prediction that Trump's victory is 'baked in' comes true only if everyone votes. Make it a Monster Vote to defeat voter fraud and vote flipping, which is happening now.

FBI ANON SPEAKS – PART 3

November 4, 2016 in history | Tags: 2016, China, Donald Trump, election, George Soros, Hillary Clinton, history, India, Obama, Russia, United States, World War III

This is the third – and final – instalment of FBI Anon's comments on 4chan.

Please read Part 1 and Part 2 to understand not only what is going on in the Clinton case but also for clues on geopolitical developments.

Part 1 explains more about FBI Anon and how he came to be somewhat of a regular on the 4chan Ask Me Anything (AMA) posts. Part 2 has a comment on his credibility, probably 90% with some 'nonsense' thrown in so he can keep his job.

N.B.: Both Parts 1 and 2 ended up on discussion boards here and here. (Thanks!) Both threads speculate on whether FBI Anon is Steve Pieczenik, a Harvard-trained psychiatrist who is a regular on the Alex Jones Show and has his own website.

Obviously, no one can say for certain, but, personally, I doubt it. FBI Anon is working on the Clinton case and is most probably an FBI agent. Pieczenik worked for the State Department in the 1970s and 1980s in specialised operations such as psychological warfare, hostage situations and terrorism. It would seem that both men share the same worldview and have access to similar – but not identical – information and people that would cause them to arrive at similar conclusions.

What follows comes from the FBI Anon chat of October 17. Given the current resumption of the Clinton email investigation, it is probable that this is the most up-to-date information we are likely to receive before the election on Tuesday, November 8.

By October 17, the Billy Bush video of Trump had already circulated.

I have divided his comments up by topic, cleared up salty language, corrected spelling and added more information in brackets.

Emphases mine below.

**IS THE CIA INVOLVED IN THE CLINTON
FOUNDATION?**

No. The Intelligence agencies are like modern-day gangs, owing allegiance to no one and cooperating only when necessary and even then, only to a limited degree.

THE POLLS

Trump is winning by around 20% with a 5% MOE.

The election is a landslide right now, but the MSM is trying to engineer his downfall.

Ironically, women voters liked that Trump tape.

[Someone objected to the 20% figure] You're forgetting millions who have not voted before. Many polls only sample registered voters or people with a history. Trump will bring in millions who have never voted, including people too shy to be vocal about their support. Independents, which are also a huge shadow bloc, have also moved en masse to Trump. We have internal polls for our own projections as well, and so do the campaigns and the national committees. I guarantee they all see the same thing: a Trump landslide.

If he was not winning, what would be the point [of poll rigging]? They could simply ignore him and do what they did with Ron Paul.

I remember seeing an info graph a while back where someone plotted the oversampling of democrats in polls. That is a very useful tool.

IS THERE MORE TO COME ON TRUMP?

I know they have a tape of him making a lightly off-colour remark about blacks [referring to an 'Uncle Tom' remark on *The Apprentice*], but beyond that I have no idea. They really can't find much on him, hence why the MSM has resorted to crafting narratives out of thin air.

RIGGED ELECTION AND THE CLINTON CAMPAIGN

It depends at this point. The political mood right now favours a Trump landslide. HRC and the global elite have two ways to stop him:

1) Slander him to the point of extreme unfavorability, even with core supporters.

2) Rig the polls.

They are concerned because Trump has brought attention to #2, which was the exact same strategy with Bernie. Therefore, they are attempting #1, but the issue is whenever people attack Trump viciously, his support grows. He maintains strength by always finding a new enemy to attack, and the last month he is pulling out the big guns and naming the true face of all of our problems: large, multinational corporations and their leaders.

THE BLUEST STATES TRUMP CAN WIN

He will win PA and CA.

[The next two comments concern California]

Most likely.

- 1) Trump will do well with Hispanics.
- 2) Trump's LGBT stance has more of an effect on liberal yuppies than you think.
- 3) California's population is declining, and only older, more affluent people are voting, i.e. Trump's primary demographic.
- 4) The shy Trump supporter effect will take place en masse in CA.

NY is Hillary's no matter what.

THE LACK OF GOPE SUPPORT FOR TRUMP

They attempted a coup because they are bought by the same interests as the Dems. They believed it would hurt Trump, but it only makes them look like fools. Paul Ryan 's political indecision is one example.

[GOPE McMullin's chances] No one cares about Egg McMuffin

THE CHANCE OF A TRUMP VICTORY

95% Trump victory.

CAN VOTERS REALLY BEAT THE FRAUD AND THE RIGGING?

Yes. The rigging works by counting the votes to a higher percentage based on the MOE. So HRC's votes may count for 1.2 votes instead of one. Therefore, an overwhelming majority will give Trump a win.

Trump can win, but not without overwhelming support.

WILL THEY 'MESS AROUND' WITH ELECTORAL VOTES?

They always do.

WILL HILLARY AND THE DEMOCRATS CONTEST A TRUMP WIN?

They will contest, but a re-check will yield the same result.

TRUMPS PRESIDENTIAL AGENDA

Trump fully intends to clean house in Washington and with the power brokers of major corporations.

He wants to Make America Great Again. He despises the powerful who have enabled themselves by throwing smaller people under the bus.

[Could he put George Soros in jail?] No.
[There would be an] increase in utilities,
industry, and energy sector

**WOULD IT BE GOOD TO ENLIST IN THE MILITARY
DURING A TRUMP PRESIDENCY?**

Yes.

**THE POSSIBILITY OF A THIRD PARTY WINNING IN
THE FUTURE?**

No third party will take control in America
for a long time

POSSIBLE OBAMA PARDON FOR HILARY

If HRC loses, she will be pardoned by Obama.
O will then proceed to deteriorate our
relations with Russia even further.

**WHAT WOULD HAPPEN IF HILLARY WON AND
AMERICANS REVOLTED?**

It is very likely HRC would institute martial law and permit the military to conduct safety drills against the revolt.

HILLARY AND GUN CONTROL

She intends to do an Australia-style gun control, with strict tax punishments for people who refuse to take part in the system.

SECTORS FAVOURABLE UNDER A HILARY PRESIDENCY

Boost to financials and healthcare.

SECRET SERVICE OPINION OF HILARY

HRC is awful. I actually had a conversation with a former secret service agent friend of mine (female). She was assigned to Bill back in the day but she hated Hillary because apparently Hillary hated the Secret service.

Hillary is the least charming person on the planet.

HILARYS SPORADIC BURSTS OF ENERGY

Whatever she is on is designed to make her energetic for long periods of time.

HILARYS HEALTH

Most likely ... Parkinson's

WHAT DOES HILARY SMELL LIKE?

[a few reports and interviews have been circulating claiming she smells like sulphur]

She smells like hair spray and cardboard.

IS CLINTON INVOLVED IN SATANIC ACTIVITY AND/OR INTO EXTRA-TERRESTRIALS?

Black magic yes. Extra-terrestrials I cannot answer.

[Podesta emails point to his interest in extra-terrestrials. Articles have also indicated a Clinton interest in UFOs.]

[re Satanism and a reference to the Clintons' close relationship with the late Cardinal Bernardin, also rumoured to be a Satanist]

Correct.

ARE THERE INCRIMINATING HILLARY TAPES?

No. But there is one of her talking about how blacks are disgusting and poor.

I don't possess it. You will see it in time.
It is kind of funny.

IS THERE A BILL CLINTON 'RAPE TAPE'?

I am not sure.

IS ASSANGE DEAD?

No. Very scared, but still alive. Whether or not that will change in the next few days is questionable.

[Re Hillary's remark on droning him] She wants to.

[Re Assange and John Kerry] I have no idea. I am waiting to see what those keys were that they released on Twitter. They are threatening someone.

2016 DEATHS 'LINKED TO CLINTON'

Potentially 20, confirmed 6

[Latest one] A man in Pennsylvania who knew about the voting machines.

JUSTICE ANTONIN SCALIAS MYSTERIOUS DEATH

The common assumption is Scalia was murdered to help bring about gun control via another justice. But then any justice could have been sacked. What was Scalia doing before he died?

What topic was he interested in?

CLINTON CAMPS BIGGEST WORRY

The truth about the disgusting delights of the Clintons and the global elite coming to light.

HOW DID THE CLINTONS GET SO AWFUL?

Bill is a political mastermind. Hillary wasn't always so corrupt, but once she saw the potential for power, it drove her to what you see now.

HRC loves power and death.

**DOES JEFFREY EPSTEIN HAVE ANYTHING ON THE
CLINTONS?**

He has nothing.

MARK CUBAN

Cuban wanted some loopholes and goodies to remain, but in private conversation Trump let it be known that he intends to fully wipe the slate clean. Cuban did not like that, so he went full HRC because it ultimately benefits him more.

HUMA ABEDIN

She helps the Muslim Brotherhood hold HRC's ear.

CAN'T THE DNC SEE WHAT MISTAKE THEY MADE?

There has been significant regret since her 9/11 incident. Unfortunately, there is nothing anyone can do.

The Clintons have bought and paid for the presidency again, the only thing stopping them is Trump.

USS MASON/YEMEN SITUATION

The rebels we supported are firing at us with our own tech because they're too dumb to realize who sold them weapons.

CHINA

Currently China is shutting down power in major cities in small bursts to test our power grid.

RUSSIA

[Re Obama starting aggression against them before Trump can take office] No, but the goal is to erode relations to the point where Russia will be withdrawn to whoever is President. Even Trump will not take acts of aggression lightly.

Obama will flirt with war as long as he can, just enough to make the Russians think poorly of Americans under any scenario. Then Trump will have much more work to restore relations when he gets in.

The Trump Campaign headquarters attacks are all orchestrated. Virtually everything going on right now is a distraction from the imminent threat of war with Russia.

[Possibility of nuclear war with the US] Yes (Russia just did a nuclear bombing drill in Moscow with 40 million people - the US population is still unaware anything major is going on)

WORLD WAR III

I suspect a major war in the next year or two regardless of who is elected.

I had hoped that Trump would be able to bring about more peace, but the people he is fighting are determined not to allow it.

[Global elites to trigger it?] Based on recent events, yes.

[Could it start before the end of 2016?] Maybe.

[What country will start it?] Israel or the United States (expect another 9/11 style false flag)

[Countries involved] It will be the US & Japan Vs. China, India, and Russia. I had previously thought India was on our side, but it looks like they may swap allegiances.

[Re India] They have been making deals with Russia, and by proxy they will warm up to China should the US pose a serious threat.

Try reading the news.

Savings and production are what drive an economy. China will be hurt by war, but they have savings and a strong production base. Even with a ton of debt, they can pull off a war. The US, on the other hand, is a result of the spend/invest mentality. We have no manufacturing base which can compete globally.

EU will be in WW3, but the collapse of the EU will render them militarily impotent for the most part.

SHOULD PEOPLE WATCH OUT FOR FALSE FLAGS?

Yes.

The next false flag may deal with an explosion of a plant or facility controlled by an electrical grid.

THE NWO

The ruling class simply wants to rule over an indifferent mass. However, many do believe that in the end times, a war of ideas will occur and they will prevail through the intervention of a “messiah”. Which makes it scarier because there are powerful people who legitimately believe through mass war and death, peace will come.

[Really?] Yes

The Owl of Minerva is an important gesture in upper circles.

They don't see the world as you do. They live in an insulated world of riches and power, and they do not know what it is like to struggle of live pay check to pay check. Even though Hillary did as a child, she is so far removed now it doesn't matter.

[Does George Soros have the Spear of Destiny used to pierce Christ?] No.

WHO REALLY RUNS THE US GOVERNMENTS?

George Soros and anyone who considers themselves a Zionist.

[This type of control happened in] 1913

THE POSSIBILITY OF CONFLICT INVOLVING 'CONSTITUTIONAL AMERICANS'

Truthfully, I don't know.

**WHY ARE THE 'GOOD GUYS' CHANCES IF CIVIL WAR
BREAKS OUT?**

Who knows at that point?.

If Hillary is elected, civil war is a near
certainty.

[Could she die before then?] Not likely.
Death in 2018-2020 after starting war.

THE VALIDITY OF THE CITIZENS AUDIT

It is asking the right questions, and yes,
many of HRC's PACs and even her campaign
solicit foreign money and shadow money.

CREDIBILITY OF 4CHAN'S KNOWLEDGE BOMB THREADS

[Part of the question: 'Some of the things
he says make sense, but others seem really
out there (like members of the EU being part
of a sex club involving refugees).']

His information is legit.

IS PODESTA WIKILEAKS EMAIL 2010 IMPORTANT?

Very important.

FBI ANON'S ACCURACY

I've been wrong a few times, but in my job, being right is not a prerequisite. I only plan for things that may or may not happen.

I have been answering and *mostly giving out correct info for months. The only reason why there is so much doubt now is because CTR and other PAC's are flooding this board trying to sow doubt wherever they can, and it is unfortunately having an effect. This board was once vehemently pro-trump, but many are beginning to feel doubt.

[Regarding not using consistent self-identification] Because it gives me enough plausible deniability in case someone should want to come looking for me. It's also the reason why sometimes I give disinformation - it helps give just enough doubt to keep serious people from prying.

I have not claimed to be anything other than someone with knowledge of HRC's case.

I try to limit these to once per month.

FBI ANON'S WIFE

Thank you, my wife is giddy to be remembered.

Too bad these are dark times.

**WHICH IS MORE IMPORTANT: WIKILEAKS OF THE
CLINTON FOUNDATION?**

The next few batches of the WikiLeaks dumps should help answer this. It will all start to make sense when you connect the dots.

And, as an aside, when you are reading Podesta's e-mails, remember that the Clintons deal in weapons, drugs, and people. Some terminology in use is far more nefarious than many of you suspect.

“cards” [Child Abduction Rapid Deployment]

“favours”, “extras”, “officers”

[What next WikiLeaks will reveal] Evidence of favours for foreign nationals including the sale of human beings.

I know a lot of info regarding their movements of people and children.

WILL WE SEE ALL 33,000 EMAILS?

The NSA has them, it's just a matter of time before someone hacks them or releases them.

VOTE IN PERSON OR BY MAIL?

Vote in person, always.

Voting in person allows you to be sure your vote was cast the way you desire. You never know what happens to your paper after it is mailed in.

WHAT THE PUBLIC CAN DO

You should be [fighting hard to make sure Hillary is not elected].

Sign up to be an election watcher.

Have faith in Trump, fight hard against the shills.

Vote.

**Encourage everyone you know to vote. Explain
that a vote for Hillary is a vote for mass
war and death.**

DO NOT GIVE UP HOPE.

PART 15 – THE WASHINGTON DC SPIDER WEB

Source: http://tgasc.com/2017/01/chapter_one/

THE D.C. SPIDER WEB: CHAPTER ONE

January 24, 2017 Art / Charity / Children /
Hollywood / Money / PizzaGate / Politics

THE D.C. SPIDER WEB

The D.C. Spider Web is an investigation into the people at the highest levels of power and influence in Washington D.C.

What began as a look into socialites surrounding James Alefantis evolved into an investigation of the ever-expanding web of connections between all sections of D.C. high society - art, politics, business, philanthropy, Hollywood, and beyond.

- - -

First, we'll tell you what we're going to show you.

Then we'll show you.

Then we'll tell you what we just showed you.

- - -

In Chapter One, we will look at a socialite friend of James Alefantis's named Izette Folger, and how she and her in-laws, the Folgers, are connected to a child trafficking charity, a Dominican Republic orphanage, have access to hundreds of millions of dollars, own expensive art, know people at the highest level of influence from politics to business to Hollywood, and even have access to the Bohemian Grove.

CHAPTER ONE: THE FOLGERS

IZETTE FOLGER

This is Izette Folger (born Izette Maccoby).

She is a D.C. socialite and looks to have been friends with James Alefantis for years:

Here they are [at Comet Ping Pong in 2009.](#)

Here they are [at Transformer View in 2010.](#)

Here they are [at Transformer View in 2011.](#)

[Here they are in 2015.](#) *

James Alefantis is the Board President of a D.C. artists' non-profit called Transformer.

Izette Folger is on the Transformer Board of Directors as an artist.

Here she is [at a Media Matters party in 2009.](#)

*

David Brock was at the same party. He is known to be James Alefantis's ex-boyfriend. The two were involved in a bizarre blackmail lawsuit.

David Brock founded Media Matters and Correct the Record, which lean strongly left.

Both of these were funded by George Soros.

Izette Folger is on the Advisory Board for Innocents at Risk, a charity founded to tackle child exploitation and human trafficking.

It works directly with an orphanage in the Dominican Republic.

NEIL FOLGER

Izette Folger is married to Neil Folger.

**Izette and Neil Folger are Visionary Friends
of James Alefantis's Transformer.**

The Folgers have access to people of high stature. Here they are with the Japanese Ambassador, Ichiro Fujisaki.

Here is Neil Folger at the annual dinner of the Bishop John T. Walker School for Boys; a tuition-free, private, Episcopal, all-boys school.

Neil Folger is Senior Vice President at Folger Nolan Fleming Douglas Capital Management, Inc.

In 2006, he featured in Washington Life Magazine, advising readers how to invest \$30 million.

In 2007, the S.E.C. (Securities and Exchange Commission) issued an order forcing Folger Nolan Fleming Douglas to pay almost \$250,000 to their advisors.

This was caused by “the firm’s failure to seek best execution and its failure to disclose available brokerage options, along with the potential conflict of interest relating to its acceptance of referrals from affiliated registered representatives.”

NANCY ‘BITSEY’ FOLGER

Here is a photograph of Neil and his mother, Nancy ‘Bitsey’ Folger.

Here is Bitsey Folger with her daughter-in-law Izette at a Transformer event.

Bitsey Folger's father was Neil H. McElroy, U.S. Secretary of Defense for President Dwight D. Eisenhower, and ex-President of Proctor & Gamble.

President Eisenhower presented McElroy with the Medal of Freedom in 1959.

Bitsey Folger is on the Board of Directors of many non-profits and foundations:

Bitsey Folger is a director at Live It Learn It, a children's educational charity. Her bio says that she also serves on the boards of the White House Historical Association and The National Symphony Orchestra.

Bitsey Folger is also a former Trustee of the Black Student Fund, which provides support to black D.C. students from pre-K through 12th grade.

Here is Bitsey Folger on the Board of Directors of Vital Voices, an international women's NGO.

She is joined on the board by many people of note, including:

- . Sally Field
- . Diane Von Furstenburg
- . Deputy Chief of Staff to First Lady Hillary Clinton
- . a former advisor to Secretary Hillary Clinton's Committee on Strategic Dialogue and Civil Liberty
- . President Bill Clinton's Director of the U.S. State Department Art in Embassies Program
 - . US Ambassadors
 - . Chairman of Universal Pictures
- . Chief Communications Officer at the Bill and Melinda Gates Foundation
- . a Baroness and Member of the U.K. House of Lords
- . one of Fortune's Most Powerful Women
 - . assistant counsel to the Banking Committee of the U.S. House of Representatives
 - . a trustee of Jordan's King Hussein Foundation, who sits on the Arab American Institute.
- . and more...

Bitsey Folger is also on the board of directors of the National Archives Foundation, Corcoran Gallery of Art Women's Committee, Arena Stage, The National Symphony, Spoleto Festival USA, The White House Historical Association, and more.

She is also listed as a consultant to the Children's Defense Fund, which has Reese Witherspoon on its board of directors, and lists Hillary Clinton as a former Chair.

NICHOLAS AND PETER FOLGER

Nicholas and Peter Folger were the sons of Bitsey Folger.

Peter Folger was a social worker and master gardener. He passed away in 2016.

It seems as though Nicholas F. Folger passed away in 2012 in Columbus, Ohio. Although the link is now dead we can surmise that it is the same Nicholas F. Folger, since Malcolm McElroy, his uncle, died in Cincinnati, Ohio, and Neil H. McElroy, his grandfather, was born and raised in Ohio.

Neither were of interest to the investigation.

LEE M. FOLGER

Lee Merritt Folger is the ex-husband of Bitsey Folger, and is Neil Folger's father.

Lee M. Folger is the chairman of the board of Folger Nolan Fleming Douglas Capital Management, a \$735 million Registered Investment Advisor, and the same firm as Neil Folger.

Here are Lee M. Folger and his wife Juliet Folger.

Lee and Juliet Folger run the Lee and Juliet Folger Fund.

According to this website, The Folger Fund had assets worth \$22 million dollars in 2014.

However, this IRS document has the amount at \$44 million.

The Folger Fund has millions of dollars' worth of stock in such companies as Amazon, American Express, Apple, Boeing, Ebay, Exxon Mobil, GE, Google, HP, Johnson & Johnson, McDonalds, Microsoft, Nike, PepsiCo, Pfizer, Procter & Gamble, Walmart, Disney, Wells Fargo, Goldman Sachs, Paypal, Kellogg's, JP Morgan & Chase, Twitter and Time Warner.

The Folger Fund donates millions of dollars in donations every year, including at least \$1 million to the National Gallery of Art yearly.

Although, in 2014, they purchased two paintings from the National Gallery of Art in 2014, totalling over \$6 million. This was more than half of their yearly grants and contributions paid.

In fact, the National Gallery of Art has the Lee & Juliet Folger Fund listed 19 times alongside of art pieces.

Lee Merritt Folger was invited to the Bohemian Grove in 2008.

Also invited were George H.W. Bush, Jimmy Buffett, Clint Eastwood, Peter Jackson, Henry Kissinger, James Matheson, David Rockefeller and David Rockefeller Jr., and James H. Woods.

All the Folgers are on the 2011 Washington Life Social List, and appear in many other years also.

- - -

In summary, Chapter One showed us how James Alefantis's socialite friend Izette Folger is an advisor to a child-trafficking charity connected to an orphanage in the Dominican Republic. Her husband, Neil Folger controls a lot of money. His mother, Bitsey Folger, is on many boards and connected to many people in the highest circles of politics, entertainment and charity. Her ex-husband is the CEO of a firm worth over \$700 million, runs a massive fund specializing in art, and who was invited by name to the Bohemian Grove alongside Hollywood hotshots, a former President, and several Rockefellers.

Children, money, art, charity, Hollywood, politics, the Bohemian Grove, and James Alefantis. All connected to the Folger family.

In Chapter Two, we will look at Izette Folger's own family, the Maccobys.

Thanks for reading and please continue to support and join

THE GREAT AMERICAN SEA CHANGE

THE D.C. SPIDER WEB: CHAPTER TWO

January 31, 2017 Art / Charity / Children /
Hollywood / Law / Military / Money /
Pizzagate / Politics

THE D.C. SPIDER WEB

The D.C. Spider Web is an investigation into the people at the highest levels of power and influence in Washington D.C.

What began as a look into socialites surrounding James Alefantis evolved into an investigation of the ever-expanding web of connections between all sections of D.C. high society - art, politics, business, philanthropy, Hollywood, and beyond.

- - -

First, we'll tell you what we're going to show you.

Then we'll show you.

Then we'll tell you what we just showed you.

- - -

In Chapter One we looked at The Folger family and their connections to a child trafficking charity, people at the highest level of influence from politics to business to Hollywood, access to hundreds of millions of dollars, and the Bohemian Grove.

In Chapter Two, we will look at the Maccoby family. We will see how Izette Folger's (born Maccoby) sister speaks of a CIA upbringing, and has Hollywood ties; how she and her husband, an Army Major in the Defense Threat Reduction Agency, were leading voices on energy in the White House; how her brother was involved in James Alefantis's lawsuit with David Brock; and how their powerful father has tight connections to a leader of the Frankfurt School, and is strongly-connected to the children's charity from which 33 children were almost kidnapped in the Laura Silsby case.

CHAPTER TWO: THE MACCOBYS

NORA MACCOBY-HATHAWAY

Nora Maccoby-Hathaway is Izette Folger's
sister.

Here is Nora Maccoby-Hathaway with James
Alefantis.

Here are Izette Folger, Nora Maccoby-
Hathaway and James Alefantis together.

Nora Maccoby is a screenwriter. She has written films that have starred Joaquin Phoenix, Ed Harris, Anna Paquin, Michael Peña, Luke Wilson, Jack Black, Scott Caan, Andy Dick, and Brittany Murphy.

[Here she is with Oliver Stone at the 'Snowden' premiere.](#)

Growing up, she attended the Sidwell Friends School growing up, which is a Quaker school. She talks about having had a CIA upbringing, living in a neighbourhood where 80% of residents were CIA operatives.

[Here is Nora Maccoby-Hathaway with Saudi royalty and former Saudi Ambassador to the U.S., Prince Turki al-Faisal, and Kuwaiti Ambassador Salem Al-Sabah.](#)

Prince Turki al-Faisal resigned from his position as U.S. Ambassador in newsworthy fashion in 2006-2007 following tumult in the Saudi leadership.

They are at the screening of 'Journey to Mecca', a film about an Islamic scholar's pilgrimage from Morocco to Mecca in 1325.

She is listed as co-founder of Nature's Partner, a bipartisan energy literacy initiative (and its sister site Giummara, a produce marketing company located in Los Angeles.) Their website has no mention of her, or any other founders.

Nora Maccoby-Hathaway is a contributor at The Globalist.

The Globalist claims that "anyone with a curiosity to learn about the world around himself or herself is a globalist."

It has an article comparing President Trump to the Philippines' President Duterte who has drug-users murdered, and another subtitled: "Is Globalism an inherently anti-American concept? Nothing could be further from the truth."

The only article of Maccoby-Hathaway's we could locate was "The U.S. Military and China as Environmental Soul Mates."

As hinted at above, Nora Maccoby-Hathaway is an energy strategist, and "has spent years working primarily with the U.S. Department of Defense as a Senior Communications Specialist."

She serves on the Board of the International Fund for China's Environment (IFCE), a non-profit that "aims to ensure a healthy global environment and continuous economic development, by helping China solve its environmental problems."

In 2005, after leading a three-week delegation with the IFCE, and with a US-China agreement in place, Nora spoke directly with then-Secretary of Defense Donald Rumsfeld about clean energy projects. Following this, Rumsfeld threw support behind the project with two Defense Science Board Reviews, Energy Security offices in each branch of military, and funding, through the Office of Force Transformation, for The Energy Conversation.

THE ENERGY CONVERSATION

The Energy Conversation is

From 2007 - 2010, Nora served as Senior Communications Specialist for The Energy Conversation, a partnership of 29 government agencies and departments, working together to achieve smart energy policy.

She wrote 'The Energy Conversation: The First 3 Years', which is available to download as PDF [here](#). It is a compilation of 31 Conversations from various writers about energy. These conversations include 'Energy Policy in Light of a New President and Congress', 'The Economic Impact of Climate Change,' and 'Energy, Security and the Long War of the 21st Century'.

In it, she says that the book would not be possible without the DOD Office of Force Transformation, the DOD Director of Defense Research and Engineering, and the Navy Office of Naval Research.

However, it seems that the Office of Force Transformation, which was said to be funding the Energy Conversation, was disestablished in 2006 (according to Wikipedia, although all source links are dead.) This was the year before Nora Maccoby-Hathaway spent four years as Energy Conversation's Senior Communications Specialist.

It is unclear who was funding it after 2006. This is made all the more confusing by the fact that there does not seem to be an official website for The Energy Conversation, as www.energyconversation.org is not functional.

This means that our knowledge of which 29 government agencies are involved, to what extent, and to what ends, are unknown.

She is also noted as being on the board of The Energy Consensus, of which no website can be found. One is mentioned in the article below -

<http://energy.telascience.org/energyconsensus>
- however that link is also dead.

- - -

In 'Breaking Through Editorial', Scott Chubb speaks further about the Energy Conversation and, among other things, the "Evolving Alliance Between 'Tree Huggers' and the DOD."

In the article, Chubb writes that "Nora Maccoby played a prominent role in initiating interest in the DOD in dealing with problems related to the strategic importance of energy and the need to develop alternative energy technologies and strategies for using energy by raising these issues in conversations with Donald Rumsfeld."

Chubb mentions that Saudi Ambassador Turki Al-Faisal was present at the "Green Salon" Energy Talk he attended with Maccoby-Hathaway and Major Hathaway.

Also present were James Woolsey, Bill Clinton's former CIA chief.

Chubb sums up the event:

“The “tree huggers” and the DOD not only are beginning to talk to each other, but they are beginning to work together to create a political climate where the problems associated with global warming and our over-reliance on oil and other sources of greenhouse gases will be addressed using more efficient, alternative energy technologies and alternative energy fuels.”

Also mentioned in the article is then-Army Captain Todd Hathaway, who was mentioned as a close friend of Nora Maccoby's. As we will see below, Hathaway and Maccoby are now married.

Nora Maccoby-Hathaway received credit for President George W. Bush's State of the Union line when he declared, “America has a problem. We are addicted to oil.”

ARMY MAJOR TODD HATHAWAY

Major Hathaway and Nora Maccoby-Hathaway were married, in an Episcopalian-Buddhist ceremony at the highly prestigious Cosmos Club.

In attendance at the wedding were Head of the American Council on Renewable Energy Jodie Roussell, top solar energy strategist Scott Sklar, and CIA chief James Woolsey.

This ceremony at the Cosmos Club was made easier, one would assume, by the fact that Nora's father Michael Maccoby is a member.

As it mentions on its website's homepage, The Cosmos Club has had among its members three Presidents, two Vice Presidents, a dozen Supreme Court justices, 36 Nobel Prize winners, 61 Pulitzer Prize winners and 55 recipients of the Presidential Medal of Freedom.

Its members also include Henry Kissinger, Nelson Rockefeller, and Robert McNamara.

Here are Major Hathaway and his wife, Nora Maccoby-Hathaway, at the 'Journey to Mecca' screening, mentioned above.

They feature in the 2014 Washington Life Social List, among many other people of note.
(P.50)

Major Hathaway is also in the field of energies.

Chubb claims that “Capt. Hathaway has been directly involved with the people who are responsible for bringing the issue (of the strategic importance of energy and the need to develop alternative energy sources and devices) to the attention of the Secretary of Defense and for organizing the “Energy Conversation.”

Hathaway is credited with debunking claims of achieving cold fusion from the Keshe Foundation (KF), who seem like charlatans to us at TGASC.

The same article says that Hathaway is part of the Defense Threat Reduction Agency in Fort Belvoir, a military facility with twice as many workers as the Pentagon.

He has assisted with a non-profit focused on free energy technology and sustainable development, called Panacea-BOCAF.

It is named after Panacea, the goddess of universal remedy, and BOCAF stands for Building Our Children A Future.

On their site there is an article (that seems promotional) on Major Hathaway.

The same article mentions that Nora Maccoby-Hathaway hosted the New Energy Congress. In trying to find information on New Energy Congress, we did locate a PESWiki(Pure Energy Systems) website for it, but no links were helpful (both <http://top5energy.com/> and <http://newenergycongress.org> were dead) and there was no mention of Maccoby. Another dead end.

Panacea-BOCAF has many links on its own site that are dead or lead nowhere, including to “the results of Major Hathaway’s independent investigation and a lecture given by Todd Hathaway on “Eddie Sines Liquid Nitrogen cooled YBCO coated quartz crystal super conductor alternative free energy generator.””

More on Todd Hathaway. *

MAX MACCOBY

Here is Max Maccoby with his two sisters.

Max Maccoby is a lawyer at Butzel Long, specializing in such cases as product liability, breach of contract, malpractice and false claims.

Max Maccoby represented James Alefantis and ex-partner David Brock in the bizarre blackmail lawsuit.

This shows a personal connection between Alefantis and all three Maccoby siblings, as well a personal connection between David Brock and both Izette Folger and Max Maccoby.

Max Maccoby is also on the board of Directors for Friends of the Orphans.

Friend of the Orphans has since changed its name to Nuestros Pequeños Hermanos (NPH), which is Spanish for Our Little Brothers and Sisters. (It also goes by Nos Petits Freres et Soeurs (NPFS), which is the French translation.)

NPH is a network of orphanages in Latin America and the Caribbean.

It currently houses of 3,700 children in nine countries

:

Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua and Peru, with Haiti and the Dominican Republic of particular significance. More on Friends of the Orphans below.

There are some claims that Butzel Long, and the surrounds of its building have some child-sex insinuations. The dissolution of sli.mg make this more difficult to investigate.

SANDYLEE MACCOBY

Sandylee Maccoby is the mother of Izette, Nora and Max Maccoby.

She is listed as part of the Maccoby Group.
She is a writer and artist.

Beyond that, she was of little interest to this investigation.

MICHAEL MACCOBY

Michael Maccoby is Izette, Nora and Max's father.

Michael Maccoby is an anthropologist and a psychoanalyst, and a globally-recognized expert on leadership.

He was asked to work at the White House around 1960.

Instead he chose to work with Erich Fromm in Mexico.

Erich Fromm is a renowned psychologist, sociologist, philosopher and democratic socialist.

Fromm was central to the Frankfurt School and its Critical Theory, writing books such as *Escape from Freedom*. The Frankfurt School was known for its strident Cultural Marxism.

Saul Alinsky was the Frankfurt School's most prominent figure, whose *Rules for Radicals* was a major component of Hillary Clinton's recent campaign and Barack Obama's presidency.

Hillary Clinton wrote her senior thesis about Alinsky. In fact, Clinton wrote Alinsky directly back in 1971, saying she missed their conversations, revealing a close relationship.

“[Maccoby] believed that Fromm had an idea about how to create a world where we could create societies that loved life versus loved death.”

He was also the President of the Harvard Crimson and had the Pentagon Papers in his house.

Michael Maccoby is also a defender of James Alefantis and Comet Ping Pong.

When a neighborhood commissioner brought a video to the public’s attention about James Alefantis’s Comet Ping Pong having late-night sidewalk permissions, Michael Maccoby made a very vocal response in the public hearing on the matter. (Download the “COMET” file from [here.](#))

At 31:30 minutes, Michael Maccoby defends Comet Ping Pong, saying it is “a great benefit to the community.” He stresses having been in the area since 1970 and says he “would personally seek to remove the individuals attempting to stop (James Alefantis).”

Michael Maccoby is one of the central contributors and facilitators of an international non-profit - the same children's organization that sees his son Max serve on the board - NPH/ Friends of the Orphans.

In fact, Maccoby and Erich Fromm conducted studies on the NPH Organization.

From the NPH brochure:

This is the very same orphanage that 33 children were taken from in 2005 in the Laura Silsby case.

This was revealed by Jorge Puello, Laura Silsby's lawyer in the case.

Jorge Puello himself is wanted by police in at least four countries for charges including the sex trafficking of girls and women and making counterfeit documents.

It has been well-documented also how the Clinton Foundation is tied to Laura Silsby.

And with new investigations suggesting that there may have been CIA operatives in Silsby's orphanage staff, it brings a new focus on the possibility of CIA activity within or involving the Maccoby family.

In summary, Chapter Two showed us how Izette Folger's family has links through energy policy the White House, is personal friends with an ex-CIA Chief, has an in-law who is an Army Major in the Defense Threat Reduction Agency, defended both James Alefantis and David Brock in court, has membership to the Cosmos Club, was personal friends with Erich Fromm, and is involved in the leadership of the same International Children's Charity from whose Haiti Orphanage Laura Silsby stole 33 children.

Children, military, money, charity,
Hollywood, the Cosmos Club, James Alefantis,
David Brock and the Laura Silsby Case. All
connected to the Maccoby family.

- - -

In Chapter Three, we will look at another
high-society family, the Cafritz Family.

Thanks for reading and please continue to

THE GREAT AMERICAN SEA CHANGE

THE D.C. SPIDER WEB: CHAPTER THREE

February 12, 2017 Art / Charity / Children /
Education / Hollywood / Money / Pizzagate /
Politics / Spirit Cooking / Uncategorized /
Wikileaks

THE D.C. SPIDER WEB

The D.C. Spider Web is an investigation into the people at the highest levels of power and influence in Washington D.C.

What began as a look into socialites surrounding James Alefantis evolved into an investigation of the ever-expanding web of connections between all sections of D.C. high society - art, politics, business, philanthropy, Hollywood, and beyond.

Please begin, if you haven't done so already, at Chapter One.

First, we'll tell you what we're going to show you.

Then we'll show you.

Then we'll tell you what we just showed you.

In Chapter Two we looked at the Maccoby family and how they are connected to energy policy at the White house, an ex-CIA Chief, the Defense Threat Reduction Agency, James Alefantis and David Brock's lawsuit, the Cosmos Club, the Frankfurt School's Erich Fromm, and the same International Children's Charity from whose Haiti Orphanage Laura Silsby stole 33 children.

In Chapter Three we will look at the Cafritz family. We will see how they began as real estate developers and quickly their foundations to connect them to the highest powers of society. They are listed as more powerful than the Podestas or Rockefellers, their money links to the Folger Funds', they are seen socializing with the Folgers and the Maccobys, meeting Hillary Clinton for a "drop by", and how they attended a questionable cooking event with the Podesta brothers and James Alefantis.

CHAPTER THREE: THE CAFRITZ FAMILY

There are many parts to the Cafritz family. However, every member is wealthy and has a lot of influence in Washington D.C.

MORRIS & GWENDOLYN CAFRITZ

This is Morris Cafritz.

Morris Cafritz was a real estate developer, “one of Washington’s leading commercial and residential builders from the early 1920’s to the mid-60’s.”

In 1929 he married Gwendolyn Cafritz.

Here are Morris and Gwendolyn Cafritz together:

In 1948, they started the Morris and Gwendolyn Cafritz Foundation.

Morris Cafritz passed away in 1964.

When he did, Gwendolyn Cafritz became President of the Foundation. She remained President until her death in 1988.

Today, The Cafritz Foundation is worth \$735 million and donates \$20 million per year.

Morris and Gwendolyn Cafritz had three sons: Calvin, Carter and Conrad.

In the same 2011 DC Social List that we saw all the Folgers, we also see many members of the Cafritz family.

CALVIN CAFRITZ

This is Morris Cafritz with his son Calvin Cafritz in 1957.

In December 1988, Calvin Cafritz was elected to the Board of Directors of The Morris and Gwendolyn Cafritz Foundation and since February 1989, has served as Board Chairman. In July 1993, he was elected President and CEO of the Foundation.

He remains President and CEO, and Chairman of the Board, of the Foundation, as of 02/10/17.

Here is Calvin Cafritz with his wife Jane Lipton Cafritz:

Jane Cafritz also serves on the Board of the Foundation.

In 2010, Washington Life Magazine listed Calvin and Jane Cafritz number six in the Power List 2010: DC Family Dynasties.

This was ahead of Tony and John Podesta at number fourteen and the Rockefellers at fifteen.

They are also reported as being among The Philanthropic 50: Washington's Most Generous Benefactors of 2014, donating \$400 million since 1970.

They have donated to the Homeless Children's Playtime Project.

Planned Parenthood are listed among the primary donations, as well as a number of Arts and Humanities organisations. (Page 4)

It seems as though The Cafritz Foundation donated \$800,000 to Planned Parenthood just this past summer.

Calvin and Jane Cafritz, as well as the Buffy and William Cafritz Foundation, are 2016 FAPE (Federation for Art Preservation in Embassies) members. Also among the Contributing members is the Lee & Juliet Folger Fund, who we saw in Chapter One.

- - -

Also among those receiving donations from the Cafritz Foundation is Transformer, James Alefantis's arts foundation we saw in Chapter One.

Here is Calvin Cafritz with Bitsey Folger.

Also among those receiving donations from the Cafritz Foundation is Live It Learn It, the children's charity who has Bitsey Folger as a director.

The National Gallery of Art has among its benefactors Morris and Gwendolyn Cafritz, the Morris and Gwendolyn Cafritz Foundation and the Lee and Juliet Folger Fund. Also featuring are Arthur Sachs, David Rockefeller, and Mrs. John D. Rockefeller III.

There are many more organizations connecting Folger and Cafritz money.

Here is Calvin Cafritz with Nora Maccoby-Hathaway, who we saw in [Chapter Two](#).

- - -

Wikileaks revealed that they recently donated in a very significant way to Hillary Clinton's Presidential campaign. They are among forty-four donations from "the Leahy event." Other contributors included the Podesta Group, Heather Podesta (Tony Podesta's wife), Universal Music, Google, Time Warner Cable and the NFLPA. (See attachment)

Another Wikileaks release showed a "Certificate for Appreciation For Gifts Of Funds to the Dept of State" from all the way back in 1978, associated with the Morris and Gwendolyn Cafritz Foundation.

Another has Calvin and Jane Cafritz on the Host Committee of an expensive environmentalist event with Robert Redford (who we will come back to in a later chapter.)

Not only that, Wikileaks also revealed that Calvin & Jane Cafritz had a “drop by” with Hillary Clinton. This was back in 2010 when she was Secretary of State.

CARTER CAFRITZ

This is Carter Cafritz with his wife Jane Cafritz.

Carter Cafritz is featured in the public eye least among the brothers.

As Washington Life says, he and his brother Conrad are “behind-the-scenes players in many business and charitable ventures.”

Here is Carter Cafritz with Lisa Cafritz.

Carter Cafritz and his assumed ex-wife
Melissa Cafritz have the Carter and Melissa
Cafritz Charitable Trust.

While it doesn't seem to have a website, it
does seem to donate to a significant number
of charities. Much of their focus seems to be
on D.C.'s youth.

This includes The Urban Alliance, Youth
Connect, and Bright Beginnings (Page 22),
with the Morris & Gwendolyn Cafritz
Foundation also donating.

It co-funded a study on how the philanthropic
community of D.C. can affect the juvenile
justice system.

Other philanthropic efforts include the John
F. Kennedy Center for the Performing Arts,
Martha's Table, Critical Exposure, and
others.

CONRAD CAFRITZ

Here is Conrad Cafritz with Nora Maccoby-Hathaway, to whom we were introduced in Chapter Two. And again.

Here is Conrad Cafritz with Bitsey Folger and Izette Folger.

Conrad Cafritz is married to Ludmilla Cafritz:

Here is Conrad Cafritz with his wife Ludmilla Cafritz at the Folgers Shakespeare Library.*

Here is Ludmila and Conrad Cafritz with Izette Folger back in 2006. (Last photo)

Here is Ludmila and Conrad Cafritz with Izette Folger more recently. And again.

We saw in Chapter Two how Bitsey Folger is a former Trustee of the Black Student Fund.

Conrad Cafritz is also a former Trustee of the Black Student Fund.

The Cafritz Foundation has donated to many of the same institutions as The Folger Fund.

Calvin and Conrad Cafritz are among the Trustees of the Federal City Council. Also among them is Lee Merritt Folger from Chapter Two.

- - -

The biggest revelation of all, however, was found in another email leaked by Wikileaks.

E-mail 21136 of the Podesta e-mails was sent to John Podesta.

In the e-mail was titled "Cooking w/ Fratelli Podesta Briefing" and it listed the briefing for a fundraiser. The fundraiser was to take place at Tony Podesta's house, which looks like this.

Remember that it was Tony Podesta with whom Marina Abramovic was looking forward to sharing a “Spirit Cooking dinner.” She also wondered if John Podesta would be joining.

I HAVE YET TO SHOW YOU THE SATANIC PRACTICES OF MARINA ABRAMOVIC.

REMEMBER PEOPLE AT THE HIGHEST ECHELONS OF GOVERNMENT TAKE PART IN THESE EXPENSIVE SATANIC EVENTS.

**This Cooking w/ Fratelli Podesta event was
“to fundraise for Hillary Clinton.”**

“Participants” included John Podesta, Tony Podesta, James Alefantis and the First Lady of the Commonwealth of Virginia, Dorothy McAuliffe (wife of this Terry McAuliffe).

Plus 90 attendees.

It stresses: “This event is CLOSED PRESS.”

It mentions that James Alefantis, and the other chefs are “personal friends.”

Within the attachment, there is a full list of attendees, and it denotes a minority – a total of 17 – who paid \$2,700 to attend “the Chef’s Circle.”

Among these Chef’s Circle contributors were none other than Conrad Cafritz.

More bizarre is that the event is titled “Cooking w/ Fratelli Podesta” and yet in the two hours there is no time allocated for cooking or eating. At least, not before 8:30pm when the event was to end. In fact, the “Sequence of Events” was meticulously timed, often in strict 5 or 10-minute increments, and there was no time left for actual cooking or eating, nor even any mention whatsoever of food preparation or consumption.

So, earning in the neighbourhood of \$100,000 for a two-hour event, in which there was no time for cooking or eating, James Alefantis, the Podesta Brothers, and Conrad Cafritz got together at Spirit Cooker Tony Podesta’s house for a closed press event in the name of Hillary Clinton.

Marina!,
What place do you see the occult having within contemporary art; can magick be made (not simply appropriated/
performed)?
Thanks, K

permalink embed

[-] [abramovicinstitute](#) **MARINA ABRAMOVIC** [S] 30 points 3 years ago

Everything depends on which context you are doing what you are doing. If you are doing the occult magic in the context of art or in a gallery, then it is the art. If you are doing it in different context, in spiritual circles or private house or on TV shows, it is not art. The intention, the context for what is made, and where it is made defines what art is or not.

permalink embed parent

OCCULT MAGIC = HIDDEN MAGIC

MAGIC IS JUST THE MANIPULATION OF ENERGY.

YOU HAVE POSTIVE AND NEGATIVE ENERGY.

**DEPENDING ON WHAT TYPE OF MAGIC YOU ARE DOING
SUCH AS WHITE OR BLACK MAGIC (POSTIVE OR
NEGATIVE) DEPENDS ON WHAT YOU WILL ATTRACT.**

**THERE ARE POSTIVE AND NEGATIVE ENTITIES YOU
CAN COMMUNCIATE WITH USING MAGIC.**

**MARINA TELLS US THAT OCCULT MAGIC IN
SPIRITUAL CIRCLES OR IN PRIVATE IS NOT ART,
IT ALL DEPENDS ON THE CONTEXT.**

MARINA IS A HIGH PRIEST SATANIST.

**SHE HELD THIS SPIRIT COOKING EVENT AT HER
PRIVATE HOUSE.**

**JAMES ALEFANTIS, THE PODESTA, THE CAFRITZ AND
OTHERS ATTENDED.**

**ITS MORE THAN LIKELY THEY WERE TAKING PART IN
SATANIC RITUAL ACTIVITY.**

In Chapter Three we looked at the Cafritz family and how their foundations heavily fund a variety of high-powered foundations including Planned Parenthood, how their money significantly links to the Folger family's, how they are listed as more powerful than the Podestas or Rockefellers, their personal ties to both the Folgers and Maccobys, met with Hillary Clinton for a "drop by", were on the host committee for environmental events with Robert Redford,, and how they attended a questionable cooking event with the Podesta brothers and James Alefantis.

In Chapter Four we will look at the Raiser family and how they fit into this ever-expanding Spider Web.

Further Reading:

Further Cafritz Connections:

Conrad Cafritz's ex-wife, former D.C. School Board Chairwoman Peggy Cooper Cafritz, recently resurfaced after her house and art collection burn down in 2009, but now has a new house and art collection worth many millions.

- - -

The Cafritz brothers' "cousin William "Bill" Cafritz and his wife, Buffy Cafritz, are mainstays of the Washington social scene."

They have detailed histories within their own right. Buffy Cafritz is reported as being Honorary Trustee of The John F. Kennedy Center for the Performing Arts, advisory member of the Library of Congress, Madison Council. She is a former advisory board member of the Harvard School of Public Health, former board member of Vice President Al Gore's Residence Foundation, as well as the President Ronald Reagan's Presidential Foundation, Ford's Theatre, Sasha Bruce Youthworks, Friends of the Arts and Preservation and The Ronald Reagan Institute of Emergency Medicine.

Here are Bill Cafritz and Buffy Cafritz.

Here is Ludmila Cafritz with Buffy Cafritz.

Here is Buffy Cafritz and husband at an event, and in photographs, with Hillary Clinton. Conrad Cafritz was also in attendance.

Here is Buffy Cafritz with Smokey Robinson.

Here is Buffy Cafritz at a Breast Cancer Cure Reception that also had Joe Biden, Sarah Chake (from Scrubs), Candy Coburn (the country singer), and Prince Alexander and Princess Catherine of Serbia.

This blog post claims that Carter's ex-wife Charlene Cafritz, apparently a heroin addict, was friends with Charles Manson. It further speculates that Gwendolyn Cafritz may have dropped out of the public eye not because of her ill-health but because she kept getting robbed of thousands of dollars.

- - -

Melissa Cafritz, assumed ex-wife of Carter Cafritz, and half of the Carter and Melissa Cafritz Charitable Trust, had a father who was in the CIA for seven years.

There is a lot more information out there on the Cafritz family and it will be further investigated.

- - -

* The strongest connection we have seen - so far - between the Folger family of Chapter One and the Folger Shakespeare Library is that the Folger Fund donates to the Library. We, as of yet, have no reason to think that they are the same people.

THE D.C. SPIDER WEB: CHAPTER FOUR

March 31, 2017 Charity / Children / George Soros / Haiti / Hollywood / Money / Open Society / Politics / Third World

THE D.C. SPIDER WEB

The D.C. Spider Web is an investigation into the people at the highest levels of power and influence in Washington D.C.

What began as a look into socialites surrounding James Alefantis evolved into an investigation of the ever-expanding web of connections between all sections of D.C. high society - art, politics, business, philanthropy, Hollywood, and beyond.

Please begin, if you haven't done so already, at Chapter One.

- - -

First, we'll tell you what we're going to show you.

Then we'll show you.

Then we'll tell you what we just showed you.

In Chapter Three we looked at the Cafritz family and how the real estate developers used their foundations to connect them to all strands of high society; more powerful than the Podestas or Rockefellers, their money links to the Folger Fund's, they socialize with the Folgers and the Maccobys, drop by with Hillary Clinton, and attended a questionable cooking event with the Podesta brothers and James Alefantis.

In Chapter Four we will look at the Raiser family. We will see that the Raisers connect to Hollywood stars, D.C. charities, Bill Clinton's Presidency, Virginia Governor Terry McAuliffe, Goldman Sachs, and George Soros and Open Society.

CHAPTER FOUR: THE RAISER FAMILY

MOLLY RAISER

This is Mary “Molly” Raiser.

Molly Raiser was President Bill Clinton’s
Chief of Protocol. Another source.

In an article written by Carol Joynt, Molly Raiser is mentioned as attending the British Embassy for the annual dinner to benefit Sasha Bruce Youthwork's College Preparation and Scholarship Program.

Among the board members include Jane Cafritz.

Also among the distinguished guests, and assisting to raise \$130,000, were Bitsey Folger and Sidney Werkman.

- - -

Both Molly Raiser and her daughter Skye are Council on Foreign Relations (CFR) members according to the Democratic Underground. The CFR is commonly-thought to be one of the nation's most influential think tanks.

Here is 'Ambassador' Molly Raiser at an event thrown by Buffy Cafritz.

Willie Lewis, Jane Harman, Ambassador Molly Raiser. Photo by Alfredo Flores. Buffy Cafritz Party for Deborah Rutter. Bethesda, MD. March 12, 2015.

Here is a detailed, 56-page interview with Molly Raiser.

VICTOR RAISER

Molly Raiser's husband was Victor Raiser.

He died in 1992 at 52 years old. He died in a plane crash that also killed his twenty-two-year-old son, R. Montgomery Raiser.

Victor Raiser was the finance co-chairman of Gov. Bill Clinton's Presidential Campaign.

He was previously a lawyer, businessman, and the finance chairman of the Democratic National Committee. He was described as "a major player" in the Clinton organization.

- - -

Molly and Victor Raiser's daughter is Skye Raiser.

SKYE RAISER

Her given name is Mary van Schuyler-Raiser.
She also goes by Skye Raiser-Perlin.

It is said that she is the ex-lover of
Frederik, the Crown Prince of Denmark.
(search 'Raiser')

Here is Skye Raiser at an event with Izette
Folger, Ludmilla Cafritz, and others at
Elle's Women in Washington Power List dinner.

Here she is with Izette Folger. (Is there a better photograph?)

Here is Skye Raiser with VA Democratic Governor Terry McAuliffe.

This is the same Terry McAuliffe that was involved in a Clinton scandal.

- - -

Skye Raiser is married to David Perlin.

David Perlin is a Private Wealth Advisor for Goldman Sachs.

He is also on the Goldman Sachs Management Committee.

He has also worked for BTIG investment bankers, HSBC Securities, Morgan Stanley, and the Cypress Group, a D.C. strategic advisory and advocacy firm.

Perlin has donated to Democrats in the past, including the Hillary Clinton campaign.

David Perlin and Skye Raiser, as well as Molly Raiser, were on the Washington Life's 2014 Social List of Who's Who in Washington.

David Perlin is also the Chairman of D.C. Greens, which is a D.C. Food Initiative.

Skye Raiser and David Perlin are listed as "pollinators" for the D.C. Greens 'Spring Dig 2016.'

Within the organization's funding partners, alongside Raiser and Perlin, was the Morris and Gwendolyn Cafritz Foundation, who donated between \$25,000 and \$49,999.

Maggie Gyllenhaal is also on the Board of Advisors of the D.C. Greens.

Her brother, Jake Gyllenhaal, attended a D.C. Greens event in 2015.

- - -

Skye Raiser also established the Raiser Environmental Fellowship.

This offers scholarships to the National Cathedral School. The National Cathedral supports a range of international activities to strengthen students' understanding, knowledge, and respect for other countries and cultures within our diverse global community.

The National Cathedral School helps orphanages in many countries around the world, including China, Cambodia, Ghana, Costa Rica, and Haiti.

- - -

Here is Skye Raiser featured in a 2014 one of the photographs Drug Strategies, a drug abuse prevention non-profit. Also featured in the Drug Strategies photographs, in 1999, is George Soros.

A trustee of Open Society, Herbert Sturz, was a board member at Drug Strategies.

Open Society, founded and chaired by George Soros, offers “generous support” to Drug Strategies.

- - -

Skye Raiser is a photographer at Skye Photography.

Skylar Raiser is selling a book of photography.
The book is called 'Children are Children.'
It features photographs of children from nine
different countries, including Ireland,
Israel, Cuba, Nepal, Burma, Palestine,
Morocco, and Nicaragua. It costs \$55.

- - -

In Chapter Four we looked at the
Raiser family and how they connect to
prominent Hollywood figures, massive hedge
fund operators and policy-advocates, D.C.
charities, Bill Clinton's Presidency,
Virginia Governor Terry McAuliffe, Goldman
Sachs, and George Soros and Open Society.
And, of course, a book selling photographs of
young children.

In Chapter Five we will look at Philippa
Hughes and how she fits into this ever-
expanding Spider Web; from her connections to
the Du Pont family, Heavy Breathing,
Alefantis, and George Soros.

- - -

Thanks for reading and please continue to support and join

THE GREAT AMERICAN SEA CHANGE

- - -

Further reading:

In 2012, Skye Raiser vocalized her support on Facebook for Everyone Matters, a ‘love yourself’ organization with very little information on its website. And yet, it receives money from massive corporations and political powerhouses, such as Google, YouTube, Microsoft, PTA, NAACP, Colin Powell’s American Promise Alliance.

Everyone Matters also has, as figureheads, Hugh Jackman and Ellen DeGeneres. Their own Facebook page claims their roster of illustrious leaders of initiatives such as Senator Barack Obama, George Clooney, Walter Cronkite, His Holiness the Dalai Lama, Anderson Cooper...

Two years ago, “Raiser-Perlin” also donated to the CrowdRise / Skoll Foundation’s Amazon Conservation Team. They are represented by Susan Sarandon and Jeff Bridges.

THE D.C. SPIDER WEB: CHAPTER FIVE

November 25, 2017 Art / Charity / Children / Comet Ping Pong / Creative / DuPont / George Soros / Money / Music / Open Society / PG / Pizza / PizzaGate

THE D.C. SPIDER WEB

The D.C. Spider Web is an investigation into the people at the highest levels of power and influence in Washington D.C.

What began as a look into socialites surrounding James Alefantis evolved into an investigation of the ever-expanding web of connections between all sections of D.C. high society - art, politics, business, philanthropy, Hollywood, and beyond.

Please begin, if you haven't already done so, at Chapter One.

First, we'll tell you what we're going to show you.

Then we'll show you.

Then we'll tell you what we just showed you.

In Chapter Four we looked at the Raiser family and how they connect to prominent Hollywood figures, massive hedge fund operators and policy-advocates, D.C. charities, Bill Clinton's Presidency, Virginia Governor Terry McAuliffe, Goldman Sachs, and George Soros and Open Society. And, of course, a book selling photographs of young children.

In Chapter Five we will look at Phillipa Hughes. We will see that Hughes doesn't see eye-to-eye with Maccoby and Folger, brings up pizza in startling ways, has ties to pedo-punk band Heavy Breathing, various independent art organizations and non-profits in Washington, and one of the richest families in the world, before looping back around to James Alefantis and Comet Ping Pong.

CHAPTER FIVE: PHILIPPA HUGHES

This is Philippa Hughes.

Philippa Hughes describes herself as a
“writer, speaker, flaneur, provocateur.”

Philippa Hughes reacted badly to President
Trump’s 2016 election win, “Maybe because a
man grabbed my pussy when I was 10-years-old
at a party in my own home.”

Philippa Hughes established the Pink Line Project. The Pink Line Project is an art non-profit organization that calls itself “a community of the culturally curious.”

Hughes, through her Pink Line Project, has donated to Democrat, Jon Ossoff.

It’s interesting, then, that one of the Pink Line Project’s promotional videos involves a familiar “culturally curious” figure at the 1 minute 29 second mark.

HEAVY BREATHING

Music Performances

Miyazaki
Heavy Breathing
Protect U

Music

"Rock Mountain + The Van" by Heavy Breathing

This band is Heavy Breathing, a pedo-punk band made infamous for its strange, and perverted music and shows at James Alefantis's Comic Ping Pong. In these shows the lead singer, who is noted to be named Amanda Kleinman, AKA Majestic Ape, speaks about their taste in children.

Kleinman wears a full-face balaclava mask, sunglasses and a wig on stage, and is suspected to be James Alefantis himself, using the accessories and a vocal effect for disguise.

- - -

Phillipa Hughes also knows Nora Maccoby and her sister Izette Folger (seen in Chapter Two.)

Izette Folger speaks negatively about Hughes's more down-to-earth brand of art party and those who attend, saying that "It's not a group of intellectual or sophisticated people. They're like party wraiths."

Folger speaks specifically about a 'welcome' that Hughes had for her sister, Nora Maccoby:

"(Maccoby arrived) early only to find Hughes still in curlers, so to speak, noshing on pizza."

Hughes responded: "That's why it's successful. Because there's no pretension about it."

- - -

Hughes is on the board or committee for many influential arts organizations in D.C, including:

- DC Commission on the Arts & Humanities
 - Arlington Arts Center
 - MakeDC
 - Washing Film Institute
- Washington Area Lawyers for the Arts

As well as managing Pink Line Projects, and the above duties, Hughes also manages Blueberries & Cherries and Citizens Innovation Lab, as well as a busy schedule of speeches and other appearances.

It is remarkable that she can manage all of the above, as well as being the board chair of the Dupont Underground.

This is especially noteworthy, since the previous managing director Braulio Agnese left the position suddenly, claiming “The position of managing director of the DuPont Underground was an unsalaried, 60+ hour per week, full time job.”

This seems like a remarkable workload for Hughes, who also has time to travel European cities like Berlin. Unless Agnese had another reason for leaving in such a hurry...

THE DUPONTS

Dupont Underground is an art installation through the underground tunnels of Washington D.C.

Du Pont Underground is in connection with the Du Pont family; one of the richest families in America for hundreds of years. Also in the Du Pont family is one of the world's biggest chemical companies, also named DuPont.

The Du Pont family are worth approximately \$15 billion. In 2014, they were the 13th richest family in the country.

There have been many scandals surrounding the Dupont family:

One Du Pont heir was convicted of murdering a wrestling coach. This was brought to the silver screen in the movie 'Foxcatcher.'

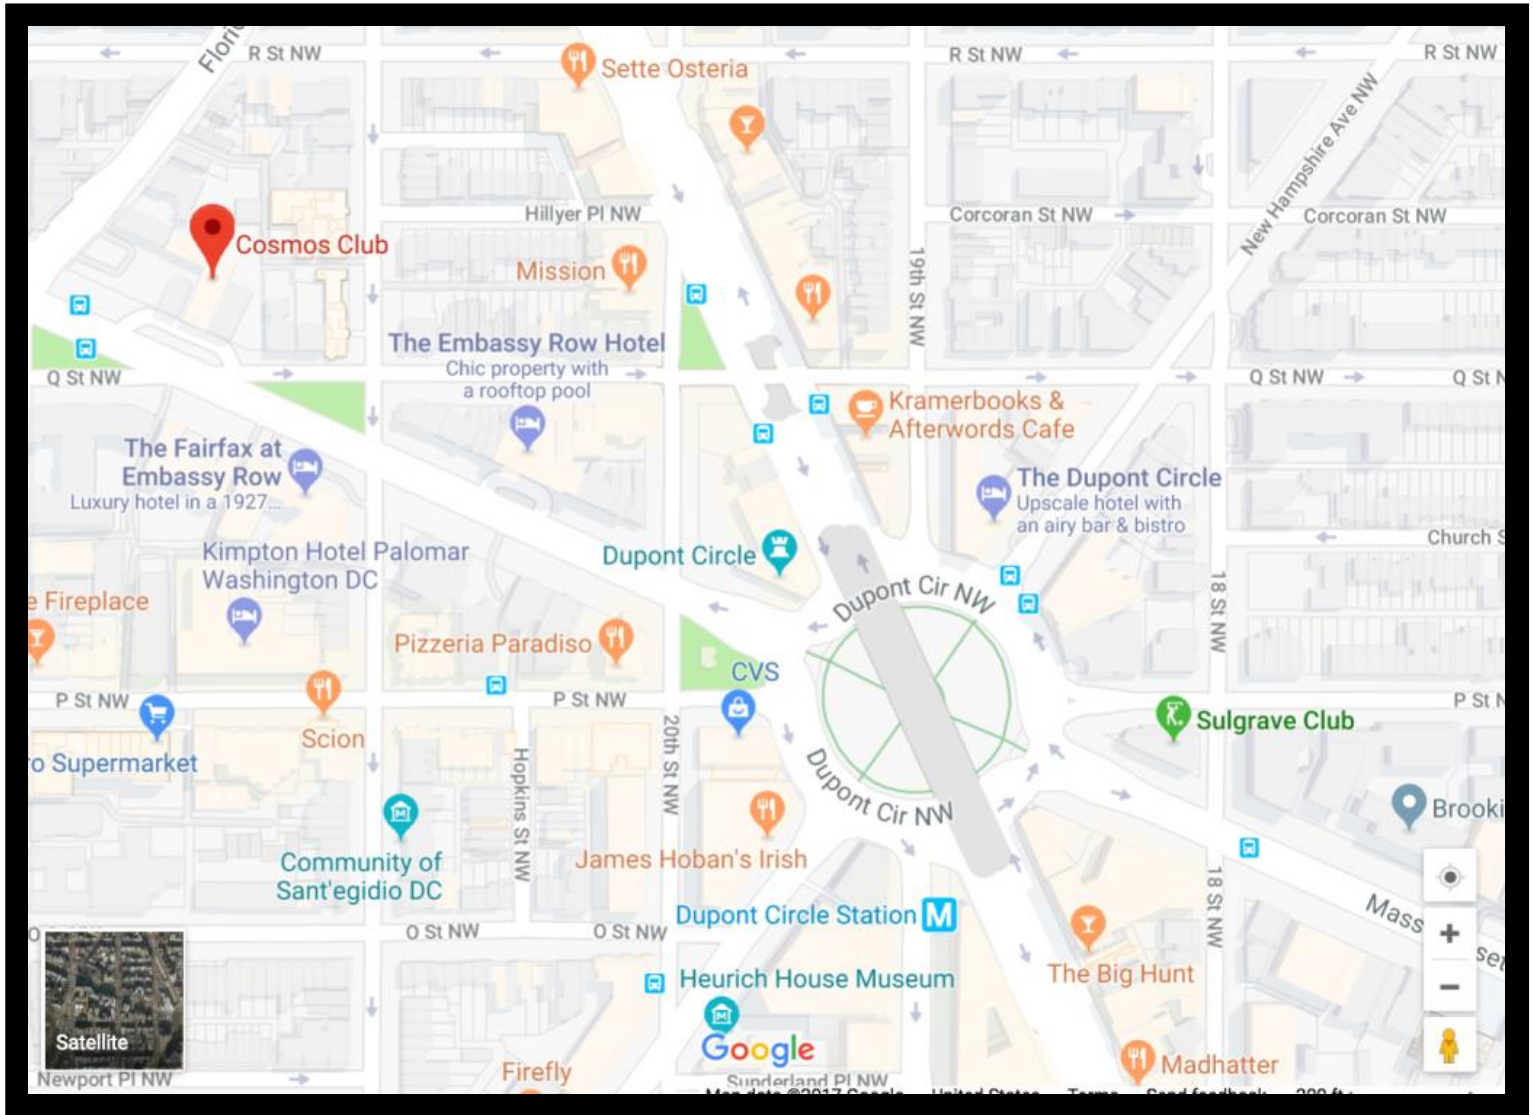

Another Du Pont heir, Robert H. Richards IV, plead guilty to raping his three-year old daughter. His wife, the accuser, also accused Richards of sexually molesting his son. However, Richards received no jail time, because the judge deemed that he would "not fare well" behind bars.

- - -

There have long been rumours and theories about the tunnels under the District of Columbia. The Smithsonian claims that the Du Pont space is 75,000 square feet, and that this is but a small stretch of the expansive tunnels.

Extensive research into the tunnels and how they interlink has been done by other internet sleuths, as well as the detailed information on digging occurring in Comet Ping Pong.

Also of interest is how the Cosmos Club (as seen in Chapter Two) happens to be 1,000 feet from the Dupont Underground portion of the tunnel.

PROVISIONS LIBRARY

In order to research the best way to proceed with Dupont Underground, in 2012, four DC-based creative researchers were sent to Berlin to source ideas. (page 6) They were sent by an organization called Provisions Library, a Dupont Underground project partner.

Among the funders of Provisions Library are:

- Open Society, owned by George Soros (page 3)
- Cafritz Foundation (page 3) (as seen in Chapter Three)
- DC Commission on the Arts and Humanities, on whose board Philippa Hughes sits. (page 3)
 - Comet Ping Pong (page 85)

In 2012, Provisions Library released an “archive” of ten fictional pieces on the potential uses of the Dupont Underground called ‘Metamonument.’ This collection was authored by a D.C. artist James Huckenpahler, who was also one of the creative researchers sent to Berlin to research the Dupont Underground.

Huckenpahler and 'Metamonument' connect once again to Heavy Breathing and 'Majestic Ape,' who clearly reads one of Huckenpahler's stories.

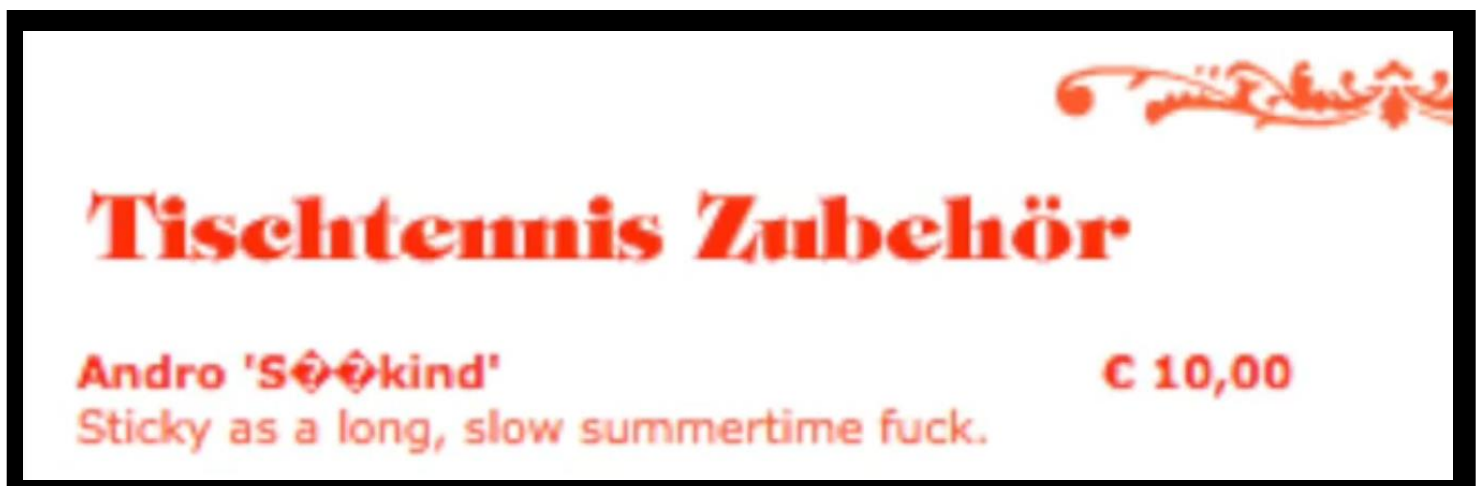

In 'Metamonument,' James Alefantis is thanked "for patronage above and beyond." (last page)

Also thanked is Oliver Miller AKA Dr. Pong, who provided "hospitality" in Berlin. We will return to Miller in a later chapter.

DR PONG IS A PIZZA/PING PONG VENUE IN BERLIN.

JAMES ALEFANTIS WHO OWNS CREEPY COMET PING PONG HAS VISTED DR PONGS.

THIS WAS ARCHIVED FROM THEIR WEBSITE BEFORE THEY DELETED IT.

Tischtennis Zubehör

Andro 'S&S'kind' C 10,00

Sticky as a long, slow summertime fuck.

**STILL THINK PIZZA PARLOURS AND PING PONG ARE
JUST ABOUT PIZZA AND PING PONG?**

The Provisions Library website also offers as
further resources Philippa Hughes's Pink Line
Projects and James Alefantis's Transformer
Gallery, on whose board Izette Folger sits
(as we saw in Chapter One.)

- - -

We saw in Chapter Five, that Philippa Hughes
has connections to a wide variety of D.C.
non-profits, perverted band Heavy Breathing,
works for one of the richest families in the
country on the D.C. Tunnels, and is further
connected to Soros's Open Society, the
Cafritz Foundation, and James Alefantis.

JAMES ALEFANTIS TAGGED THIS PICTURE AT THE WHITEHOUSE.

COMMENTS

JAMES ALEFANTIS – “THIS IS WHAT A PRESIDENT LOOKS LIKE”

5037 Connecticut Avenue, N.W.
Washington, D.C. 20008

Dear James:

Thank you for lending your time and extraordinary talent to participate in the "Cooking with Fratelli Podesta" fundraiser for my campaign for president hosted by Tony and John Podesta. I heard the evening was a smashing success, and am grateful to you for everything you did to make it possible.

I'm running for president because everyday Americans and their families need a champion, and I want to be that champion. I want to help all people fulfill their potential and not only get ahead, but stay ahead. I am energized by the support and good wishes I have received on the trail, and am looking forward to continuing the conversation about our future and to building an inclusive, nationwide grassroots campaign that will earn every vote to victory.

Thank you for standing with me in this fight, and please know that I am cheering you on for continued success. Onward!

With warm regards, I am

Sincerely yours,

Hillary

FIG SLICED THINLY WITH A HOLE IN THE MIDDLE.

Log in to like or comment. ...

TOP DEFINITION

figging

A **peeled ginger root**, shaped like a slender butt plug, inserted into the anus without lubrication of any kind. The ginger juices cause pain and extreme horniness. The person belonging to said anus become twitchy, jumpy and very lively. The effect lasts for about 20 minutes or more depending on the freshness and strength of the root. The root can also be applied directly to the clitoris or inserted into the urethra. Just be sure the sliver can be retrieved. Also, after peeling the ginger, wash your hands afterward because **ginger juice** in the eye just plain hurts like a mother fucker and is not fun or horny inducing in any way!

2

Figging

1) A sexual practice involving the insertion of a prepared "finger" of **ginger root** into the anus. This practice dates all the way back to the **Victorian era**.

2) The act of putting a shaved ginger root into the anus. It creates a burning sensation around the sphincter, and a **cooling** sensation at the same time.

*I went to my local **dominatrix** and while she was **tying** me up she asked if I liked ass-play. I said, "Of Course!" so she suggested that we try Figging. I said, "Figging?" She explained to me, and I was **hooked**.*

NEXT LET'S LOOK AT JAMES PICTURES OF ART.

LET'S REMIND OURSELVES WHAT JAMES ALEFANTIS
CLASSES AS ART.

Kill
2660K

Help
ME
PLEASE

HERE

ONLY

THE FOLLOWING PICTURES OF ART ARE A LOT MORE
COMPLICATED TO DECODE.

WHEN YOU READ THE COMMENTS, THEY ARE CLEARLY
SHARING “INSIDER JOKES” REGARDING THE ARTIST
OR THE PICTURE ITSELF.

THE DEFINITION OF ART IS

*“The expression or application of human
creative skill and imagination, typically in
a visual form such as painting or sculpture,
producing works to be appreciated primarily
for their beauty or emotional power”*

A PICTURE CAN PAINT A THOUSAND WORDS AND WHAT
THE ART REPRESENTS IS DIFFERENT TO EACH
INDIVIDUAL.

IT IS WELL KNOWN THROUGHOUT LAW ENFORCEMENT
WORLD WIDE THAT ART IS A FRONT FOR SATANISM.

JUST LIKE FOOD IS A SECRET WAY FOR
PAEDOPHILES TO COMMUNICATE, ART IS A SECRET
WAY FOR OCCULT SATANISTS TO INTERACT.

IT JUST SO HAPPENS THAT AT THE HIGHEST
ECHELONS OF GOVERNMENT PAEODPHILES AND
SATANISTS GO HAND IN HAND.

IF YOU DO THE RESEARCH YOU WILL FIND THAT
LOTS OF ELITE PEOPLE WITHIN SOCIETY ARE
INVOLVED WITH "ART" GROUPS.

THEY DONATE TO ART GROUPS, THEY ARE MEMBERS
OF ART GROUPS AND THEY ATTEND ART EVENTS
AROUND THE WORLD.

MANY OF THESE ART GROUPS ARE FRONTS FOR
SECRET SOCIETY OCCULT WORSHIP SUCH AS
SATANISM AND LUCIFERIANISM.

ELITE PEOPLE CAN MINGLE AT ART CONVENTIONS
AND TAKE PART IN SECRET EVENTS BEHIND CLOSED
DOORS.

IT IS WELL KNOWN TO LAW ENFORCEMENT THAT IN
PRIVATE, SATANIC RITUALS, SATANIC SACRIFICES
AND SATANIC WORSHIP ARE REALLY TAKING PLACE.

LET'S NOT FORGET THAT JAMES ALEFANTIS IS A MEMBER OF THE ARTS IN EMBASSY PROGRAMME WHICH ENABLES HIM TO IMPORT "LIVING ART" AROUND THE WORLD WITHOUT GOING THROUGH CUSTOM CHECKS.

"LIVING ART" IS LIKELY CHILDREN.

HE OWNS A MUSEUM CALLED PEGASUS TO STORE THIS "LIVING ART".

THIS MUSEUM IS NOT OPEN TO THE GENERAL PUBLIC.

THIS MUSEUM IS THE LOCATION OF THE KILL ROOM.

AMOS IS FREQUENTLY MENTIONED AT PEGASUS MUSEUM AND AMOS IS ASSOCIATED WITH CHILD SACRIFICE WORSHIP AND THE MOLOCH, THE GOD OF CHILD SACRIFICE.

**CHILD SACRIFICE IS A
FORM OF SATANIC
PRACTICE.**

LET'S NOT FORGET THIS THAT WAS FOUND ON A SECRET SECTION OF THE COMET PING PONG WEBSITE.

For the newcomers-

Last month's satisfied customers were raving about our "pizza" and we know you will too! Repeat customers know the drill. For newcomers, first run the program given to you by your special friend and all instructions on how to enjoy this joyous hobby will be easily understandable. But please, remember the penalties for breaking the rules, which are also included in the program. Very few have broken the rules, and needless to say the penalties are harsh. All pricing is included in the app. The app will only run once, and the following requirements must be met:

- The app is to be run from your own personal computer that only you have access
- Your computer must be connected to the Internet when run
- The app must be run from your home
- You must destroy the media on which you received the app
- Remember the password that will activate the app as there will be no icons on your computer

November newcomers: 0

November's specials-

This month we have 5 fresh pizzas for your enjoyment. We also have 4 surviving pizzas from last month's session, all are on sale at an extremely low price, as they are in poor health and not expected to survive so a requirement is that you finish eating your pizza after your session.

This month's special includes a 30% discount on severe torture! Each image below is available for \$1,000 in fine print. Andrew also has some prints he would like to sell so contact him for more info (they are true masterpieces).

THE MAIN THING YOU NEED TO UNDERSTAND IS:

**PAEDOPHILES
COMMUNCIATE THROUGH
FOOD.**

**SATANIST/OCCULT
WORSHIPERS COMMUNICATE
THROUGH ART.**

**GENERALLY, YOU WILL
FIND BOTH AT THE
HIGHEST LEVELS OF
GOVERNMENT AND
SOCIETY.**

to safely meet somebody...
was first dating my partner, we'd be out walking on the street and someone would go, "Hey, Tom!" He'd say, "You know so many people," and I'd say, "We just went on a review one time."

MW: *Is it fair to ask you what your favorite restaurant is?*

SIETSEMA: It's totally not fair. First of all, my favorite changes from week to week, from season to season, depends upon whether I'm eating alone or with somebody. But places where I would spend my own money right now - at this moment knowing that favorites change from day to day - are "Buck's Fishing and Camping," way up on Connecticut Ave. I like the lighting there. I like the fact that it's simple, straightforward, mostly American food, but it's done really, really well. I like the fact that the service is wonderful, they make great cocktails. And it's right next to Politics and Prose, which is one of my favorite bookstores. That is a place where I would go off-duty.

I think Frank Ruta, the former White House chef, does a great job in his café, Palena. It's up on Connecticut Ave. near the Uptown Theater. I like that a lot. I think when you're around a lot of fancy stuff - and chefs will tell you this, too - you crave something that's not so complex. I find real beauty in a stellar roast chicken or a great simple pasta carbonara or a great hamburger. If you make a

**WHO
IS
RODIN**

**DO
YOU
KNOW?**

Rodin

French sculptor whose innovative, sometimes controversial works include the lifelike Bronze Age (1877) **and the** uncompleted series Gates of Hell, comprising some of his best-known works, **such as** The Thinker.

One of **the best works** from him "**The Thinker**"

by **Luic** April 11, 2005

The Gates of Hell

From Wikipedia, the free encyclopedia

This article is about the Rodin sculpture. For other uses, see [Gates of Hell \(disambiguation\)](#).

The Gates of Hell (French: **La Porte de l'Enfer**) is a monumental sculptural group work by French artist [Auguste Rodin](#) that depicts a scene from the *Inferno*, the first section of [Dante Alighieri](#)'s *Divine Comedy*. It stands at 6 metres high, 4 metres wide and 1 metre deep (19.7×13.1×3.3 ft) and contains 180 figures. The figures range from 15 centimetres (6 in) high up to more than one metre (3 ft). Several of the figures were also cast independently by Rodin.

Contents [hide]

- External links

History [edit]

The sculpture was commissioned by the Directorate of Fine Arts in 1880 and was meant to be delivered in 1885. Rodin would continue to work on and off on this project for 37 years, until his death in 1917.

The Gates of Hell, Museo Soumaya, ⁶ Mexico City

PART 18 - JAMES ALEFANTIS - MARINA ABRAMOVIC CONNECTION

JAMES POSTED A PICTURE OF MARINA ABRAMOVIC ON HIS INSTAGRAM FEED.

SUGGESTING HE IS FRIENDS OR KNOWS WHO MARINA IS, EITHER WAY THIS A CONNECTION.

MARINA ABRAMOVIC EMAILED TONY PODESTA REGARDING A SPIRIT COOKING EVENT AND ASKED IF HIS BROTHER JOHN PODESTA WOULD BE JOINING.

Wikileaks Email 15893 Marina Abramovic to Tony Podesta:

*“I’m so looking forward to the **Spirit Cooking** dinner at my place. Do you think you would be able to let me know if your **brother (John Podesta)** is joining?”*

Wikileaks Email 21136 of the Podesta e-mails
was sent to John Podesta.

In the e-mail was titled “Cooking w/ Fratelli
Podesta Briefing” and it listed the briefing
for a fundraiser. The fundraiser was to take
place at Tony Podesta’s house, which looks
like this.

TONY PODESTA

Jeffrey Dahmer loved to take Polaroids of his victims in strange poses after he had killed them. I suppose these were his trophies... in addition to the body parts he kept in the fridge. This person found himself to be quite the contortionist in death.

Practical Homicide Investigation by Vernon J. Geberth, CRC Press, 1996

Marina Abramovic was looking forward to sharing a “Spirit Cooking dinner” with Tony and John Podesta. This Cooking w/ Fratelli Podesta event was “to fundraise for Hillary Clinton.”

“Participants” included John Podesta, Tony Podesta, James Alefantis and the First Lady of the Commonwealth of Virginia, Dorothy McAuliffe (wife of this Terry McAuliffe).

Plus 90 attendees.

JOHN PODESTA

TONY PODESTA

JAMES ALEFANTIS

MARINA ABRAMOVIC

It stresses: "This event is CLOSED PRESS."

It mentions that James Alefantis, and the other chefs are "personal friends."

Within the attachment, there is a full list of attendees, and it denotes a minority - a total of 17 - who paid \$2,700 to attend "the Chef's Circle."

Among these Chef's Circle contributors were none other than Conrad Cafritz.

More bizarre is that the event is titled "Cooking w/ Fratelli Podesta" and yet in the two hours there is no time allocated for cooking or eating. At least, not before 8:30pm when the event was to end. In fact, the "Sequence of Events" was meticulously timed, often in strict 5 or 10-minute increments, and there was no time left for actual cooking or eating, nor even any mention whatsoever of food preparation or consumption.

So, earning in the neighbourhood of \$100,000 for a two-hour event, in which there was no time for cooking or eating, James Alefantis, the Podesta Brothers, and Conrad Cafritz got together at Spirit Cooker Tony Podesta's house for a closed press event in the name of Hillary Clinton.

PURPOSE OF GRANT: GRANT FUNDS WILL BE USED TO SUPPORT THE PRODUCTION OF "THE LIFE AND DEATH OF MARINA ABRAMOVIC," (LADOMA) A PERFORMANCE COMMISSIONED BY MIF TO PREMIERE AT THE JULY 2011 FESTIVAL. DIRECTED AND DESIGNED BY ROBERT WILSON, A WELL-KNOWN FIGURE IN EXPERIMENTAL THEATER, LADOMA IS THE BIOGRAPHY OF MARINA ABRAMOVIC, A PIONEER IN PERFORMANCE ART. THE SHOW WILL FEATURE SCENES FROM ABRAMOVIC'S LIFE, FROM HER SERBIAN CHILDHOOD, TO HER WORK AS A PERFORMANCE ARTIST. FEATURING ORIGINAL AND TRADITIONAL MUSIC, THE GROUND-BREAKING SHOW BRINGS TOGETHER THE WORLDS OF THEATER, ART, AND MUSIC. LADOMA WILL ALSO INCLUDE A NEWLY DESIGNED SET, AS WELL AS UNIQUE PROPS AND COSTUMES, WHICH WILL BE CENTRAL TO THE PERFORMANCE.

There is no direct connection that links Marina to PizzaGate. We know John Podesta, Tony Podesta, James Alefantis and others attended “Spirit Cooking” with Marina Abramovic.

Comet Ping Pong is at the centre of the PizzaGate scandal, James Alefantis is the owner, this implicates him in the investigation. James also owns the Pegasus (kill room) building, and he takes part in “Spirit Cooking” events with Marina Abramovic.

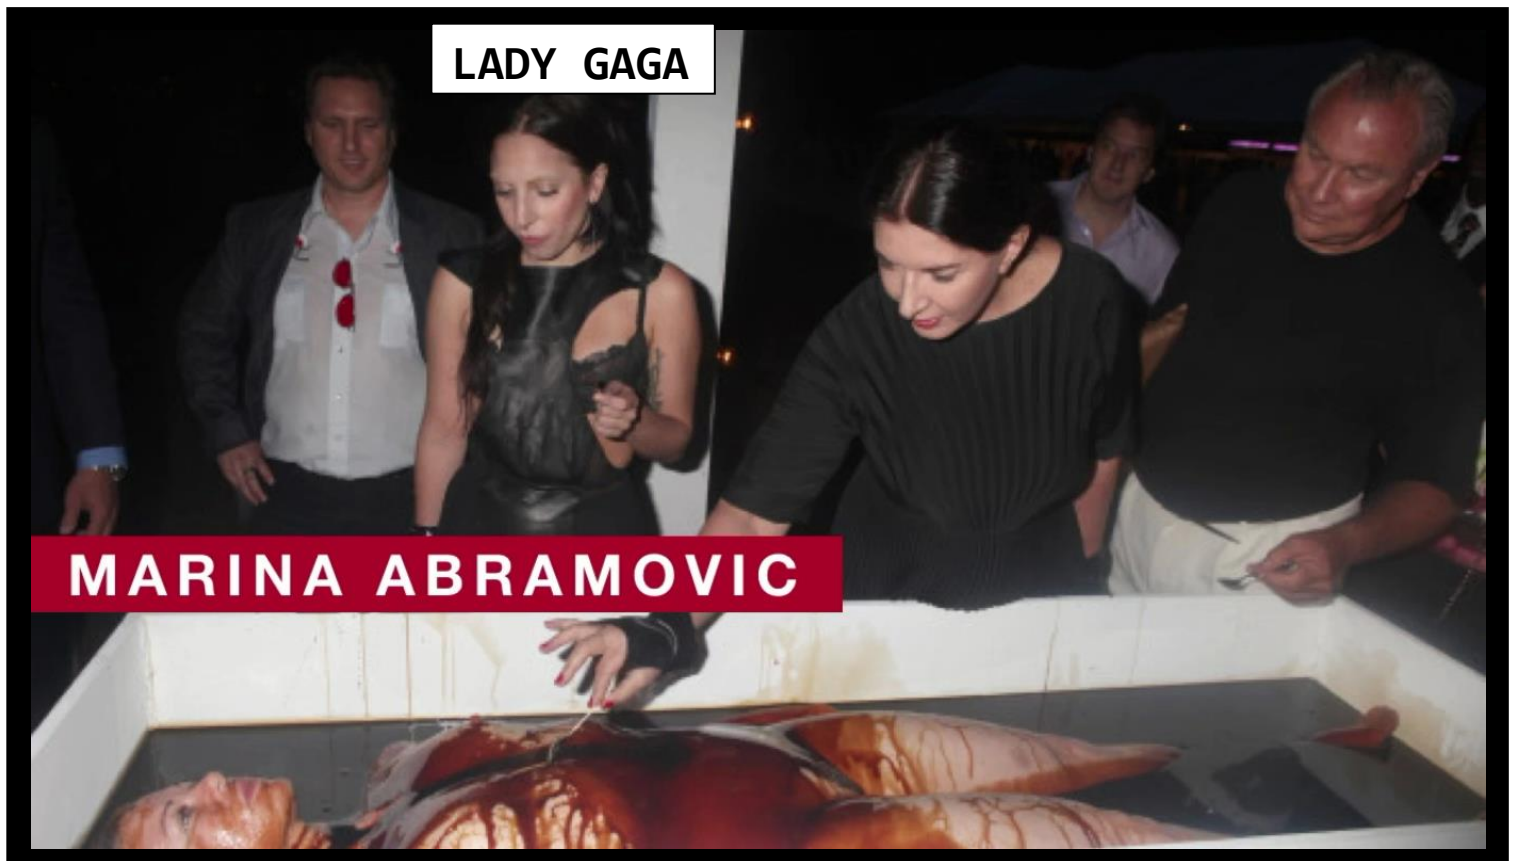

Prior to PizzaGate nobody had ever heard of “Spirit Cooking”, but given the high-level government officials involved with “Spirit Cooking” and Marina Abramovic, herself and her strange demonic practices soon became under investigation.

WHO IS MARINA ABRAMOVIC?

Some people say she is just a **Serbian Artist**.

Most people say she is a **Satanist** who practices **black magic** and hides her **occult Satanic symbology** in plain sight by calling it “Art”.

She hosts expensive “Dinner Parties” where she invites high class Celebrities and politic figures to take part in “**Spirit Cooking**”.

MARINA ABRAMOVIC

REALITY
CALLS

ABRAMOVIC WITH CELEBRITIES

REALITY
CALLS

ABRAMOVIC WITH CELEBRITIES

At her “Spirit Cooking” events there are realistic human sized cakes on the table for people eat and enjoy. It is argued this is ritual cannibalism. There are also real people who stick their heads through special holes in the table.

MARINA ABRAMOVIC EVENT

MARINA ABRAMOVIC EVENT

MARINA ABRAMOVIC EVENT

MARINA ABRAMOVIĆ

Marina Abramović is a woman who contacted the Podesta brothers in regards to a spirit cooking dinner. Ingredients for this spirit cooking dinner included blood, semen, and breast milk.

Repost @exposingpizzagate

This woman is connected to many celebrities such as Lady Gaga, Kim Kardashian, James Franco, and many more. She claims she's just an artist, although her 'art' which seems to centre around satanism suggests otherwise. In one video she can be seen throwing a bucket of blood over a voodoo doll and writing a cryptic message on the wall, also in blood, which reads: "With a sharp knife cut deeply into the middle finger of your left hand. Eat the pain." 🍷🔪🚫

She insists that spirit cooking has been taken out of context and is nothing to do with Satanism and just involves learning to make soup.

MARINA ABRAMOVIC PAINTING A VOODOO DOLL WITH BLOOD

COMMENT.**

An interesting comment left on a YouTube video concerning PizzaGate about Marina Abramovic's status as a high priestess. Scary stuff. I posted this in a few threads but I had no access to making a thread at that point.

uTube

Here is the comment copied and pasted:

Who is Marina Abramovic: I'm a minister and missionary to Africa. I have nothing to do with deep state or conspiracy theories.

.....But I do have some knowledge concerning this person.I've ministered to former Child Abuse victims.

One was raised in a Satanist Family and was ritually abused in the worst ways. His Uncle/ caretaker was a high ranking Satanic High Priest.This man was also raised to become a High Priest.He was raped from 3 years old and tortured.

His worst memories were watching other Children being abused, tortured, and murdered.He eventually renounced Satanism - and threatened with death and myriad curses.

God protected him and he has become a Christian minister.He knew nothing of PizzaGate scandals.But when I asked if he knew Mariana Abramovic- he knew who she was immediately.This man had met Anton Lavey (Who wrote the Satanic Bible and led the Worldwide Satanic Church - Hotel California) and knew the higher ups.

.....He says she is a Ninth Circle Satanist High Priest.(This is the same woman Hillary invited to the White House to call up spirits of the dead while the Clintons were in office.

.....'Ninth Circle' refers to a concept from Dante's Inferno - The Nine Circles of Hell. The ninth is the worst part of hell where Satan supposedly dwells. Dante's story is myth - not spiritual truth.

According to Ephesians Chapter 2, Satan is the Prince of the Power of the air - Mid-Heaven or the Atmosphere.A Ninth Circle Satanist HAS TO commit the worst abominations in order to achieve that degree, including murder and cannibalism.

.....My guess is that her art is meant to desensitize the world to these practices.Now look at the people she is friends with.I'm not saying they are Satanists.

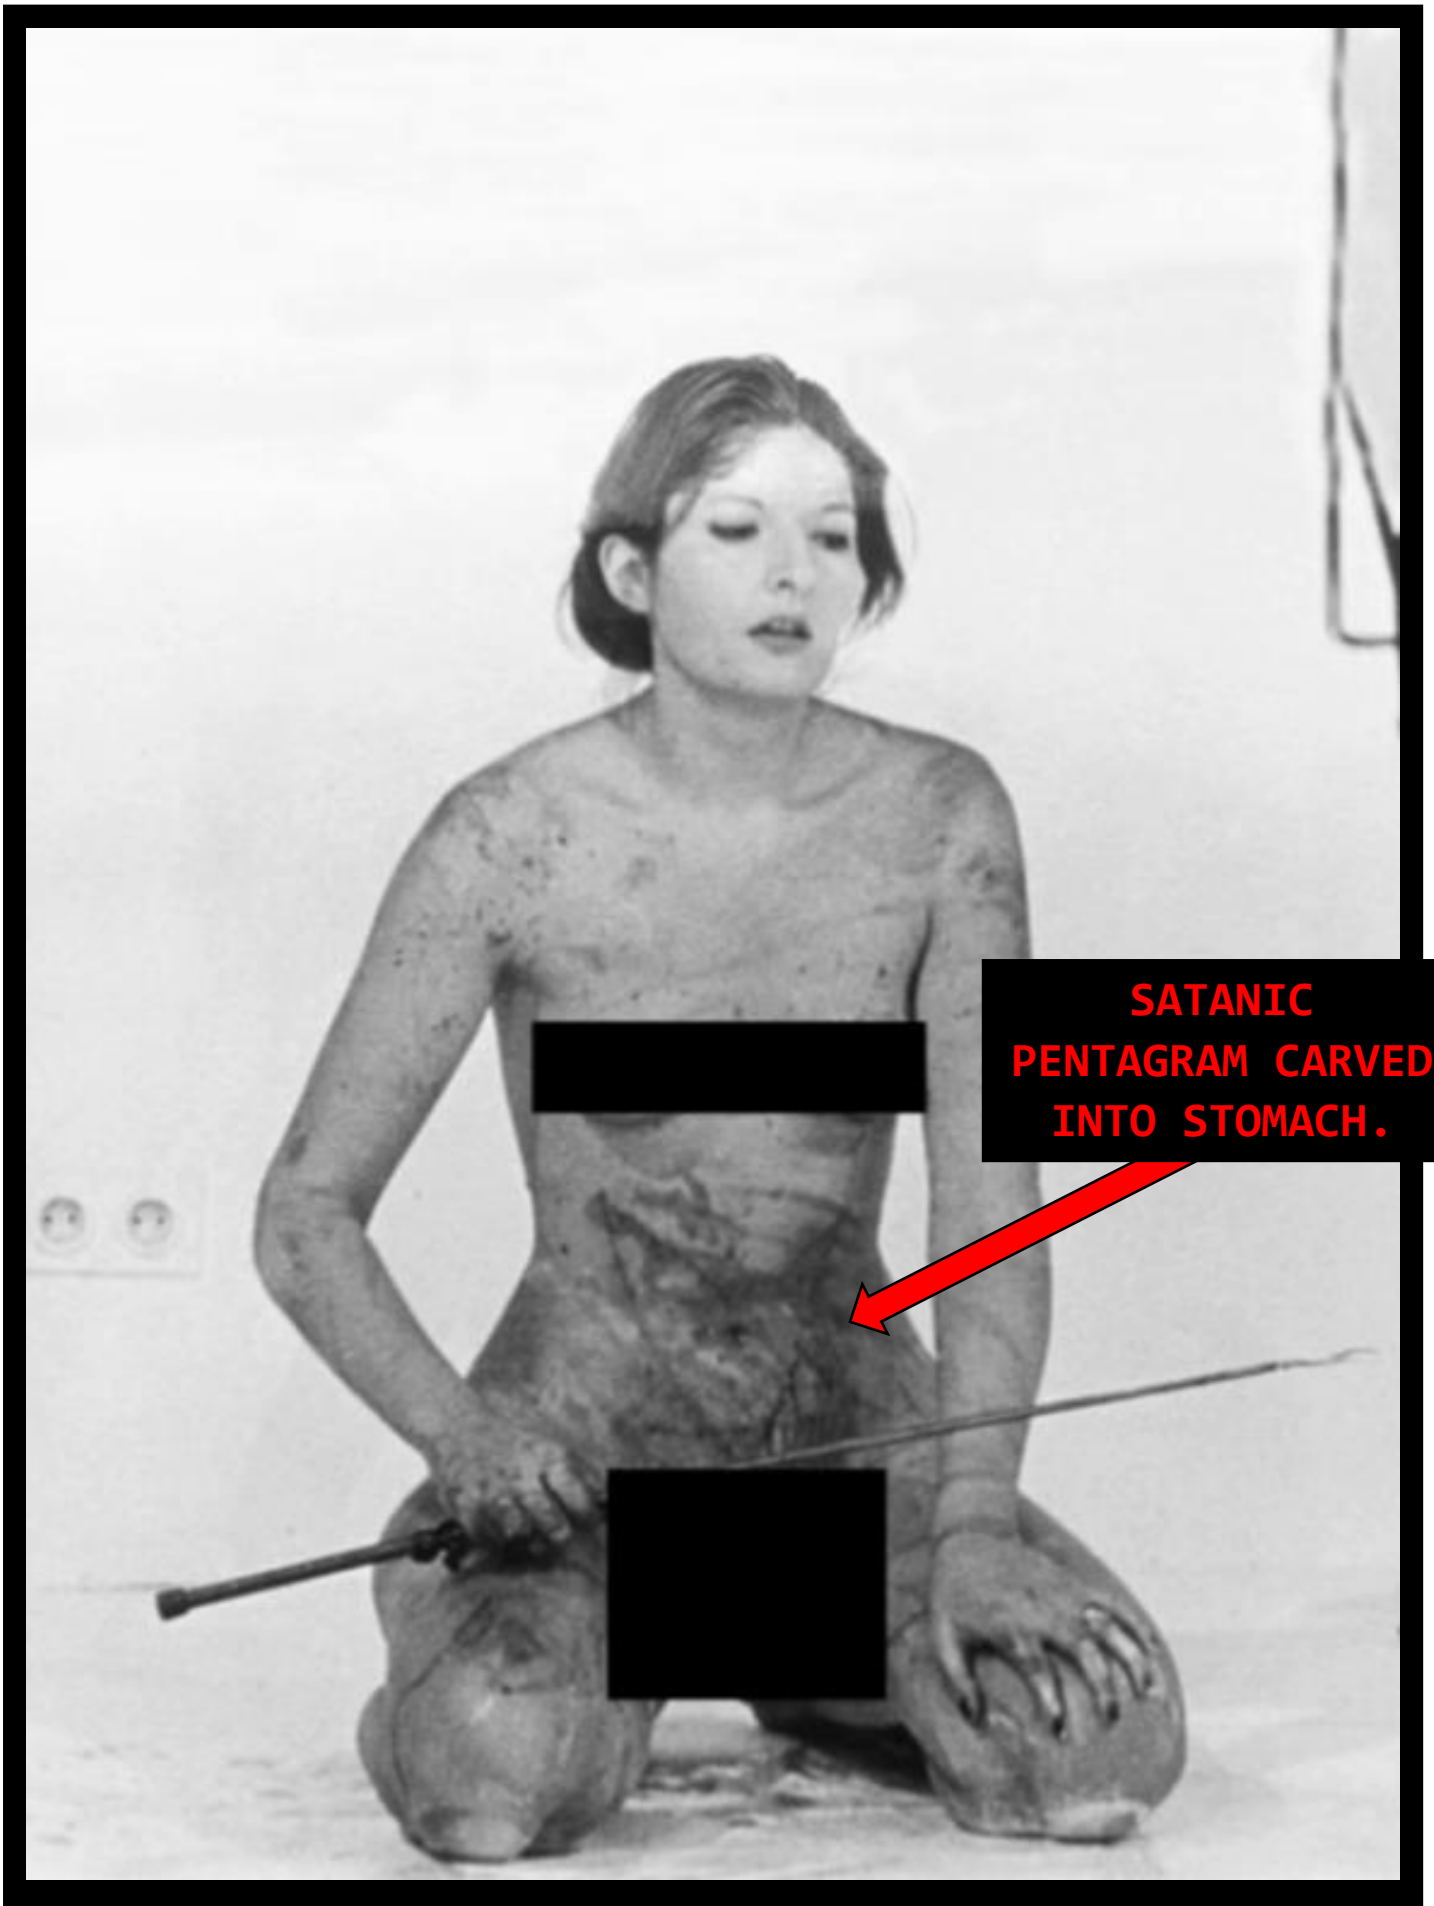

She could be using them without their knowing. She pawns herself off as many things - and they may not know her true rankBut the adage is often true, "Show me a person's five best friends, and I will tell you who they are." Wisdom tells us that as well. Bad company corrupts morals -
Solomon.

Anyone know much about the Ninth Circle cult?
I get the feeling that the person who made this comment is genuine. EDIT** I believe the comment was left on January 10, 2018. If you go to the video posted, you can do a key word search for it. Just hit Ctrl F and it will bring up a search window in the upper right-hand corner. It lets you search through comments. The persons YouTube handle is mydogpets I believe.

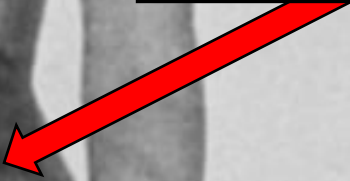

IS MARINA ABRAMOVIC A 9TH CIRCLE SATANIC HIGH PRIEST?

LOOK AT THE FOLLOWING PICTURES AND YOU DECIDE.

Myth of Osiris

14 + fish and the Osiris myth

Osiris was murdered and cut up into 14 pieces by his brother Set and scattered throughout the land of Egypt.

Osiris's wife Isis set out to find all of the pieces of his body to resurrect him. She found all but the 14th piece, his phallus, which was eaten by fish (now cursed because of this) in the river Nile.

Isis made a phallus out of gold and temporary resurrected Osiris so she could conceive a child. Their offspring is the god Horus.

14 + fish = the male phallus symbolizing power, sex magick and resurrection.

14 + FISH =
